KIWANIS HEARS REV. WILLIAMS DESCRIBE RAIDS

Law Violators Draw Barrage from "Fighting Parson" at Meeting

One of the scathing attacks on law violators for which the Rev. Elmer Williams, Ravenswood's widely known roadhouse rader, is famed, was delivered Tuesday noon before fifty members of the Englewood Kiwanis club during that body's weekly meeting at the Pilgrim Congregational church. The talk, the title of which was "Making the Constitution Alive," was the feature of the club's Constitution week program.

After pointing out that too many people regard the constitution of the United States as a "pretty thing to look at, to handle and to put away in a closet when they want to do something else," Dr. Williams told of the raids he led on Albert Bouche's Villa Venice resort and other similar places. He related how, after his third foray into Bouche's gambling room, which as on the two previous occasions netted several pieces of illegal equipment, Bouche asserted he would "get" Rev. Williams. "I told him that if that was a challenge I'd accept it," the "fighting parson" told his audience.

Other startling details of the way the law is being openly winked at daily by roadhouse denizens were given freely by the speaker, who proudly stated that he got "a real kick out of life by trying to help the under-dog."

"Specializes in Justices"

In connection with his war on roadhouses, Dr. Williams laid especial emphasis on the paradoxical situations arising when it was found that certain justices of the peace had a direct or indirect interest in some of the lawbreaking in progress at the resorts under investigation. "I'm specializing in justices of the peace now," the speaker commented with a twinkle in his eye.

Other irregularities coming in for their share of Dr. Williams' venom included election frauds, public school graft and sanitary district payroll-padding.

Regarding the latter, it was stated that forty-six law firms each of which has been drawing, it was said, from $1,500 to $15,000 annually from the district funds, are on the sanitary district payroll, and that from 600 to 700 men supplying no service whatever are receiving salary from the sanitary district. Despite the fact that $38,000,000 has been appropriated to run the district, cries are going up that the existing funds are insufficient, according to Dr. Williams.

Another charge made was that the Chicago public school board is compelled to pay $500,000 yearly in interest on borrowed money when the board's own money is kept locked up in the bank. State's Attorney Crowe and County Treasurer Carr, although of different political parties, have an "understanding," it was hinted by Dr. Williams.

Show Plans Progress

Plans for the club's minstrel show, musical comedy and vaudeville bill, to be presented at the South Side Masonic temple October 29-30, were discussed further Tuesday and additional committee appointments announced. To care for the distribution of tickets, the following were named: B. W. Bassford, membership of district; W. W. Morris, Kiwanis business houses; T. F. Whitehead, non-Kiwanis business houses; Mrs. Thomas E. Reynolds, Kiwanis ladies' organizations; William Crews, box ganizations; Dr. F. J. Norton, publicity and distribution through organizations; William Crews, box office.

The complete cast for the threefold amateur production has not as yet been made public, since there still are vacancies, but it is expected that next week the full list of names and the roles will be given out.

Although eight or ten pupils of the Englewood Dancing academy are now rehearsing with the "show," more girls, 16 to 19 years old, who can sing and dance are being sought by Director Delos Owen. Anyone desiring to try out is asked to appear at the next rehearsal, scheduled for Friday night of this week. Rehearsals are slated for every Monday and Friday evening. The scene is the Englewood Business college auditorium.

Women to Meet

A meeting of the newly formed Englewood Kiwanis club's woman's auxiliary has been set for 2:30 o'clock Friday afternoon in the board room of the Chicago Bank & Trust company, it was announced during yesterday's session.

A committee of five, headed by Thomas Whitehead, was chosen to go to Libertyville Thursday evening for a charter meeting of the new Libertyville Kiwanis club.

Englewood Kiwanians will be represented by a team in a Woodlawn golf tournament next Monday. A new member, G. H. Schultz, Boy Scout executive, was presented to the club.

$5,000 A FOOT PAID FOR HALSTED ST. LAND

Forty feet of land facing on Halsted st. at Nos. 6336 and 6338, improved with a one-story store building was sold Monday by Ernest L. Bloch, Alex Bloch and Anton W. Klein for $200,000 or at a rate of $5,000 a front foot. This is believed to be a record price for Englewood real estate. Samuel Katz, proprietor of a chain of millinery stores, was the buyer and it is probable that he will open one of his establishments in one of the stores. The stores are now occupied by the New York Millinery company and Joseph D. Warsawsky, shoe retailer. Mr. Bloch stated Tuesday that he had no announcement to make yet regarding future plans for his concern.

PASTOR OF ST. STEPHEN'S CHURCH 35 YEARS IS BURIED MONDAY

HUGE CROWDS ASSEMBLE TO PAY LAST TRIBUTE TO THE REV. ADOLPH J. BUENGER

Witnessed by some 1,500 people, one of the largest funerals ever held in Englewood paid last tribute, Monday afternoon, to the regard in which the community, and especially his own parishioners, had held the Rev. Adolph J. Buenger, who had been pastor of St. Stephens Evangelical Lutheran church, Peoria and 65th sts., for the past thirty-five years.

Death had occurred the preceding Wednesday morning. At the impressive funeral services Dr F. Pfotenhauer, president of the Missouri synod, preached in German and the Rev. Mr. Molstadt in English. Prof. O. F. Rusch of Concordia Teachers' college at River Forest, who for twenty-five years was an associate of the deceased pastor, spoke in behalf of the Luther Institute, in which the Englewood minister had always been deeply interested. Burial took place at Bethania cemetery.

Rev. Adolph J. Buenger

Born in Chicago in 1862, the Rev. Mr. Buenger had been raised in a devout Lutheran school teacher's family. His parents had joined the so-called "Saxon immigration" of 1838, 700 men and women who came to America to find religious tolerance and were the founders of the Missouri synod of the Lutheran Church of America.

The deceased pastor was educated at Concordia college at Fort Wayne, Ind., and Concordia Theological seminary, St. Louis, Mo. He was called in 1889 to the Englewood church, then a newly organized congregation which had branched off from St. Martini's church at 51st and Marshfield. He was its first pastor. On the day of his installation the membership of nine was increased to sixteen, and the church now has 250 voting members.

On January 7, 1909, the building was completely destroyed by fire. During the years 1909 and 1910 the new edifice was erected at its present location. In his thirty-five years of service the pastor has won and enjoyed the deep affection of his flock.

KIWANIANS' WIVES TO AID IN SUCCESS OF MINSTREL SHOW

TWENTY-SEVEN WOMEN ORGANIZE AT SOUTH SHORE LUNCHEON TO CO-OPERATE

Assistance in making the Englewood Kiwanis club's minstrel and musical comedy a success was pledged by a group of women who met at a luncheon at the South Shore Country club Thursday afternoon.

Talks on the purpose of the entertainment and the help needed to present it were given by a committee composed of William G. Tegtmeier, president of the Englewood club, Fred C. Rathje, and William McDonnell. Mr. Rathje spoke on the ideals for which the organization stands.

Mrs. W. A. Cunningham was asked by Mr. Rathje to preside during the afternoon as temporary chairman. Mrs. Milton Price was elected to serve as secretary and Mrs. T. D. Reynolds was made chairman of the women's activities in connection with the minstrel. Mrs. Fred C. Rathje and Mrs. Cunningham had charge of the entertainment at the meeting Thursday.

Suggestions for co-operating with the Kiwanis club in the coming production were made by various women. These will be communicated to the officers of the club. Five hundred was played and Mrs. Charles Pasal, Mrs. N. A. Crist, Mrs. John Schroeder and Mrs Milton Price took lessons in the game from Mrs. Rathje, who was offered $5 for Mrs. Pasal's instruction. This sum she gave to the women's group to be added later to the Englewood Kiwanis club's fund for charities. She also sold twelve card decks used in the game for the benefit of the club's treasury.

Those who attended the luncheon were: Mrs. K. Ray Ballantine, Mrs. B. W. Bassford, Mrs. R. S. Blunt, Mrs. Charles W. Brown, Mrs. N. A. Crist, Mrs. W. A. Cunningham, Mrs. J. E. Foster, Mrs. F. F. Hopkins, Mrs. H. F. Jaeger, Mrs. L. E. Lilly, Mrs. William McDonnell, Mrs. H. J. Mapp, Mrs. Walter W. Morris, Mrs. Charles Pasal, Mrs. M. D. Price, Mrs. Sinclair Randall, Mrs Fred C. Rathje, Mrs. Homer G. Sailor, Mrs. John Schroeder, Mrs. R. R. Stern, Mrs. A. C. Stuckey, Mrs. Charles L. Thayer, Mrs. Frank C. Weber, Mrs. Wendell H. Williams, and Mrs John Justice, a sister of Mrs. Morris, here from Miami, Fla., on a visit.

CONGESTION AT NORMAL POINTS TO LONGER DAYS

Special Exams September 27 to Fill Teachers' Vacancies

Shortage of teachers, lack of room space, and an overwhelmingly large incoming class, have combined to prolong confusion at the beginning of the new term at the Chicago Normal college. A number of classes are holding only half the scheduled meetings per week while some are unable to meet at all.

Efforts have been made to secure teachers for the positions now open, but for the first time the usual system of choosing instructors has proven inadequate. In order to fill quickly the positions now open, examinations will be given by the board of examiners on September 27.

A more pressing problem, that of room space, is being studied by President W. B. Owen and his assistant, John W. Shepherd. It is expected that before Monday of next week a plan will be perfected and put into operation. This plan will undoubtedly involve a longer school day, a change which has long been imminent.

Hitherto, consideration of the fact that an average of an hour and a half's journey is taken twice a day by the students of the college has prevented the day from being lengthened. This year, however, the growth in the Parker high school and the Normal college has seemingly made inevitable a step which will make social life or participation in school athletics or activities difficult for many students.

Teachers from neighboring schools have been recruited to fill vacancies. Joseph B. Shine, 7716 S. Green st., who has had charge of vocational guidance at Lindblom high school, has come to the Normal colege as instructor in history. Dr. Frederick W. Weck of the English department of Englewood high school, is teaching education. From Parker have come Miss Gavin, of the English department and R. French of the art department, both serving similar capacities in the Normal.

CLAIM R. O. T. C. TRAINS BOYS FOR CITIZENS

What military training means to boys in the way of developing self discipline and preparing them for citizenship was stressed by Major F. L. Beals in a talk before the Englewood Business Men's association last Thursday noon at the College Cafe. Major Beals is head of the R. O. T. C. work in Chicago high schools and was in charge of Camp Roosevelt during the summer months. He told of the boys' activities there.

To emphasize his claim that citizenship training is needed in the United States, Major Beals told the story of a casual acquaintance on a street car who viewed his burned-out "smoke" with disgust and remarked, "Huh! great country this is; can't even buy a decent 5 cent cigar!"

"Boys at the head of the Englewood R. O. T. C. have more interest in the general management of the school than have many of the teachers," said James E. Armstrong, Englewood high principal, who spoke at the close of Major Beal's talk.

"They are learning citizenship and how to bear responsibility. There is one thing that our new superintendent has particularly impressed upon me, among the many useful ideas he has brought us. That is that the schools are not established primarily to benefit the individual, but to make for citizenship."

Mr. Armstrong urged the business men to visit the school and learn what their children are doing in the local educational institution.

This week's meeting is a business meeting, when a report of the special committee recently appointed by President Harry J. Mapp will be made.

Judge John F. O'Connell has been announced as the speaker for the October 2 meeting. He will talk on the operation of the speeders' court. "Miss Chicago," Miss Margaret Leigh, who recently won honors at the bathing beauty contest held in Atlantic City, has promised to be a guest at a meeting in the near future.

Among October speakers will be Colonel A. A. Sprague on October 23, when Charles S. Deneen, senatorial candidate, will be guest of honor. Edward Beatty, proprietor of the National theater, has promised to furnish entertainment for all association meetings during the year.

MRS. WEIPPERT DIES WHILE IN MUSCATINE

While visiting her sister, Mrs. T. R. Fitzgerald, in Muscatine, Iowa, Mrs. G. W. Weippert, 257 W. 66th st., died Thursday, September 18. Mrs. Weippert was chairman of the Americanization committee of the Chicago Woman's club and an official of the Englewood hospital and Oakhaven Old People's home auxiliaries. She leaves her husband, G. W. Weippert. Funeral services were conducted at 2 o'clock Saturday afternoon at Muscatine.

COLORED BURGLAR TAKES THREE WATCHES

A negro burglar who broke into the home of Charles Anderson at 6820 LaSalle st. Thursday morning escaped with three watches. Neighbors saw the thief loitering in the vicinity but did not realize that he was breaking into the house. They gave a description of him to the Englewood police.

TOM REIDY LEADS IN ECONOMIST CARRIERS' CIRCULATION CONTEST

RACE TO END OCTOBER 11; CLARENCE SATTERBLOM, RAYMOND GALVIN NEAR TOP

"May I take your order to have the Southtown Economist delivered at your door at a rate of 10 cents per month?"

That question, being asked by 110 boys, carriers for the paper, throughout the Southtown district since September 12 has received so many affirmative responses that some of the young salesmen have secured over half of the possible subscribers on their routes already, altho the contest does not close until October 11.

Competition is keen, with Thomas Reidy, 7338 Wabash ave., heading the list at present in the number of subscriptions taken. Out of 420 families on his route who are receiving the paper under the present free circulation system, he has "sold" 255.

The next four are Clarence Satterblom, 2050 W. 69th pl., who has signed 209 out of a possible 445; Raymond Galvin, 5658 Normal blvd., 189 out of 400; Ralph Seum, 7636 Sangamon st., 154 out of 235, and Ora Bebb jr., 1653 W. 63rd st., 158 out of 390.

Prizes of $25, $15, and $10, six of $7.50 and twelve of $5 each, will be awarded on a percentage basis, that is, each boy's standing will be determined by the proportion of the possible subscribers on his route that have been secured.

While local residents are giving their orders for the paid circulation, which will start with the October 15 issue, rapidly, subscriptions continue to come in from the outside. To supplement the letters from home, J. J. Noonan, 7808 Emerald ave., has ordered the paper sent to his daughter, Miss Betty Noonan, who is in the Sunmount sanitarium at Santa Fe, N. M.

"While this is my first year in Southtown," writes Mrs. Harry Goldberg, 6805 Winchester ave., when she sent in her subscription, "I am delighted with your paper and with the neighborhood in general."

"I am happy in your success and shall look for the paper each week. Will gladly pay the 10 cents each month." This from Mrs. G. W. Davies, 6742 Lowe ave.

Mrs. E. M. Lindsay, 6053 Halsted st., has this to say: "In its gradual expansion from a pamphlet to a full-fledged newspaper the Economist deserves deep interest in all of its wholesome columns. I am indeed grateful that we have such a good newspaper in our midst."

"Must say it is worth double what you ask," is the comment H. Siedberg, 410 W. 61st st., makes in connection with his mail order.

Those who have been away from home when the boys called or have not been solicited for other reasons may telephone in their orders or mail the blank carried in the weekly advertisement, properly filled out. Yearly subscription for the paper, to be delivered by mail, is $1.50.

WAS CHOIR DIRECTOR FOR THIRTY YEARS

Glenwood Preble, choir director of the First Presbyterian church of Englewood for thirty years, and a real estate dealer, died suddenly early Thursday morning, September 18, following a second paralytic stroke at 10 o'clock the previous evening. About seven o'clock the same evening he had suffered a stroke and a cerebral hemorrhage.

Mr. Preble was a resident of Englewood for forty years or more and for thirty-five years had been in the real estate business.

Well known in musical circles, he had been a member of the Choir Guild of Chicago. He was also a member of Englewood Commandery, Knight Templars; Medinah temple, Shriners; and a life member of Englewood chapter, A. F. and A. M.

Dr. Albert Dudley assisted by Dr. Willard Robinson, pastor emeritus, conducted the funeral services at 2 o'clock Saturday afternoon at the church, Yale ave and 64th st. Interment was in the family burial grounds at Indianapolis, Ind. Members of the choir acted as pallbearers.

RENEW FIGHT FOR IMPROVED SEWER SYSTEM

Civic Association Will Seek Co-operation of Other Organizations

Once more action has been started to remedy the inadequacy of the sewerage system in Southtown. This time the Englewood Civic and Commercial association is taking the lead in the oft-repeated fight.

Incensed at the inconvenience and property loss caused by flooded basements after every heavy rainfall, members of the organization started discussion at their meeting Wednesday which ended in the appointment of a committee by President Erwin Penhallegon to work on the project. Frank F. Porter was named as chairman and James H. Hughes as secretary of the committee. Other members are A. H. Whitley, John McClun and Gerald Sullivan.

The initial meeting of the committee was held Monday. At that time it was decided to attempt to enlist the aid of other improvement organizations in Southtown in the work. Secretary Hughes, who is president of the First Englewood State bank, will write to presidents of the Englewood Business Men's association, Englewood Kiwanis club, Englewood Lions club and similar associations in Auburn Park, Park Manor and West Englewood asking for their support.

No definite plan of action has been decided upon, pending the amount of interest and willingness to aid that is shown by the organizations to which the letters have been written.

William McDonnell, proponent for the Aberdeen st. sewer project that was "tabled" last winter after the "back of the yards" residents protested emphatically against it, spoke informally at the meeting and suggested a plan of action for the club to follow. He suggested enlisting the aid of Southtown improvement organizations in the project and then obtaining from C. D. Hill, engineer of the board of local improvements, detailed plans for a sewer that will solve the present difficulty.

The aldermen of the district should then be prevailed upon to introduce a motion in the city council making an appropriation and authorizing the work, he said.

The Aberdeen st. sewer project, which would have remedied the conditions, was lost due to the bitter opposition that was given it by residents "back of the yards." People of Southtown, not realizing what the proposed sewer would mean to them, failed to attend the hearings before the streets and alleys committee of the city council, while those from the 47th st. district anxious to avoid the additional taxes came to the hearings in large numbers and loudly protested.

It was this lack of support from Southtown people that influenced the members of the aldermanic committee to carry the motion of Alderman William O'Toole of the 14th ward that killed the project, it is affirmed.

AGED MAN DIES OF INJURIES FROM AUTO

Injuries sustained on September 9 caused the death of Archibald M. Stitt, 77 years old, 516 W. 66th st., in St. Bernard's hospital Monday morning.

The aged man was struck by an automobile driven by Charles Wilcox, 2334 Park ave., at 61st st. and Wentworth ave. and suffered fractures of both legs. His advanced age prevented his recovery.

Wilcox was arrested at the time of the accident and charged with assault with a deadly weapon. Pending the outcome of his victim's injuries the case was continued to October 10.

The coroner's jury at the inquest held at Lain's morgue, 316 W. 63rd st., Tuesday morning exonerated Wilcox from criminal responsibility.

MAN KILLED WHEN HIT WITH PITCHFORK IN DRUNKEN QUARREL

WILLIAM LEWIS HELD TO GRAND JURY CHARGED WITH MURDER

William Lewis, 6342 Wentworth ave., was held to the grand jury charged with murder of Jonathan Harrison, 52 years old, 6401 Stewart ave., Tuesday afternoon at an inquest held at Lain's morgue, 316 W. 63rd st.

Harrison was murdered Monday night in a barn in the rear of Lewis' home. Both men, according to the police, had been drinking, and Lewis confessed that in a drunken quarrel he had hit Harrison on the head with a pitchfork.

Lewis was friendly with officers of the Englewood station, which is across the street from his home, and he reported Harrison's death. He stated that Harrison had stopped in his barn and, after stating that he was ill, dropped dead.

Suspicion was not at first directed at Lewis, but when a post mortem examination by Coroner's Physician Joseph Springer showed that a fractured skull had been the cause of Harrison's death, Lewis was taken into custody. He confessed shortly before the inquest. He was bound to the grand jury without bonds.

CARNIVAL, BEAUTY CONTEST PLANNED BY BUSINESS MEN'S ASSN.

OCT. 8 TO 19 DATES FOR FETE TO BE STAGED BY NEW CENTRAL ASSOCIATION

Plans for a carnival to be staged October 8 to 19, inclusive, on the vacant area at the corner of S. Halsted and 70th sts., were worked out Tuesday afternoon at a meeting of a committee of the recently organized Central Business Men's association of Englewood.

The carnival idea was born during the association's second meeting, held last Wednesday evening at Mullarkey's hall, 6923 S. Halsted st., where eighty members, including thirty new ones, were present.

A contest to determine the most popular and beautiful gal in the district will be a big feature of the carnival, which is to include five riding devices, a dancing pavilion, and plenty of side shows and other attractions. A $200 diamond ring will go to the winner of the contest and a $50 platinum wrist watch will be the award for second place. Many other prizes also will be distributed. The contest will be open to all girls except daughters of the members.

The committee promoting the carnival is composed of P. H. Doherty, chairman, Philip Sissman, Joseph Klecka and E. T. Mullarkey.

DENEEN CLUB OPENS ITS HEADQUARTERS

Headquarters for the Greater Englewood Business Men's club have been opened at 6335 Halsted st. This organization is a continuation of the club formed in the spring to support the candidacy of Charles S. Deneen, an Englewood man, for United States senator. The organization is composed of both Republicans and Democrats.

The officers of the club are the following: president, William G. Tegtmeier, secretary, Clarence N. Bergstrom; and treasurer, Robert Anderson.

An executive committee, of about fifty well known business men, including G. E. Andersen, John Bain, F. B. Bellis, Robert E. Barbee, Charles W. Brown, William Bartzke, P. E. Callaghan, H. W. Eidmann, Harry M. Englestem, W. F. Friedeman, Dr. J. G. Frost, Frank F. Hopkins, A. A. Hart, Elmer Jordan, Henry F. Jaeger, H. Kaplan, Harry Mapp, John McClun, Foster S. Nims, M. D. Price, William Rathje, W. L. Sharp, Oliver F. Smith, Ben Stevenson, Harry Stayer, Dr S. Wall, William B. Wanzer, Thomas H. Whitehead, and others, is holding weekly meetings, Wednesday evenings, at 8 o'clock, at headquarters.

CHOOSE PLANS FOR Y. M. C. A. TENTATIVELY

Local Committee Withholds Final Decision Until Costs Are Determined

Tentative adoption of definite plans for the Englewood Y. M. C. A. building was made Monday night by the local committee on management. Final decision will be withheld for a few weeks, until actual construction costs of a similar building have been determined and this information given due consideration.

Cost of construction is estimated to be 25 per cent higher than in 1922, when solicitation for funds for the Englewood "Y" was begun. While pledges amounted to a few thousands of dollars more than the original amount asked, it may not be possible, in the judgment of the committee, to build as originally intended.

However, the local committee is determined that Englewood shall have the building that is needed here, and particularly that required athletic facilities shall be obtained.

The exterior design tentatively accepted, which is reproduced in this issue, is by the architects, Berlin and Swern, assisted by Jarvis Gamble Rogers and William Chambers of New York City, and is a modified colonial type, of red brick and white stone, four stories and basement, covering 150x180 feet.

The plan calls for a swimming pool on the 66th st. side at the extreme eastern end of the building. The pool will have high ceiling, light from two sides, and a spectators' balcony, a feature not now incorporated in any Chicago Y. M. C. A.

The boys' entrance is also on the 66th st. side, the main entrance being on Union ave. At the right of the Union ave. entrance on the first floor is the men's lobby, with cafeteria and club rooms in the basement.

At the northeast corner of the building is the main gymnasium, 60x70 feet, with an auxiliary gym, 35x70 feet, directly over the swimming pool. Three handball courts, each 20x40, and the usual men's and boys' locker rooms and showers, make up the remainder of the physical equipment. In addition, the plans call for 206 dormitory rooms.

Test borings for foundations on the site show a very good quality of blue clay found at a depth of twelve feet, which means a saving in construction cost.

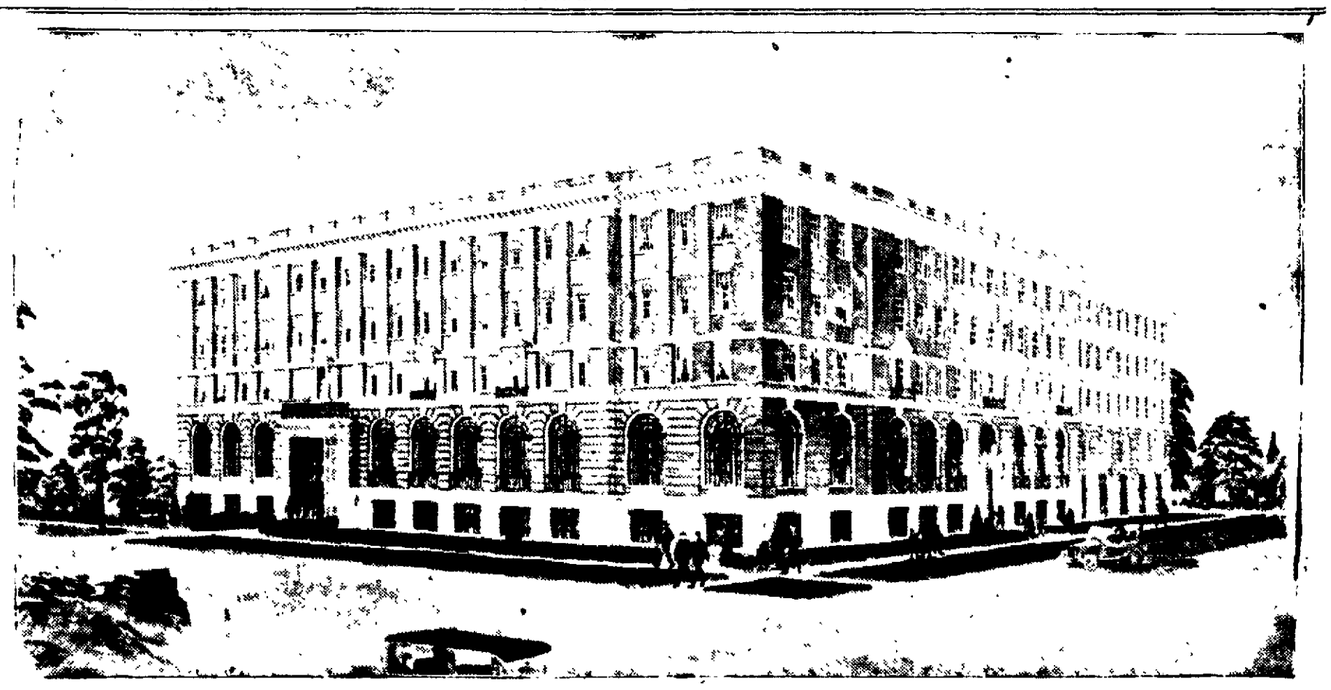
Steps are to be taken to prolong the life of the huge cottonwood tree at the north end of the plot. Boys have been building fires about its base, and it will probably require the services of a tree doctor to insure its life.

FRUIT DEALER FINED, HAD WARES ON STREET

Charles R. Edrington, business manager of the Englewood Business Men's association, pressed the prosecution of cases against two fruit dealers arraigned in the Grand Crossing court before Judge Francis B. Allegretti Thursday charged with violating city ordinances.

John Marlos, proprietor of a fruit and vegetable store at 6101 Halsted st., was served with a summons for having his display of merchandise occupying more of the sidewalk than allowed by law. He has been haled into court several times previous for a similar violation and Judge Allegretti fined him $5 and costs. Questioning after the hearing brought out the fact that Marlos had not obtained a license to operate his place for this year. Another charge was lodged against him and the hearing set for September 26.

Edward Smith, 1430 Halsted st., was arrested when police found that he had no license to peddle as he was doing at 64th and Halsted sts. and that the scales he used did not comply with the city regulations. He stated in court that neither the wagon nor the scale was his, and that he had rented them at a livery stable. His promise not to peddle until he secured a license and the proper scale won him a discharge.



The Y. M. C. A. building which probably will soon be Englewood's. To the left is the main entrance fronting on Union Ave with the boys' building on the 66th st. side. The Englewood building will, in all probability, be set back farther from the street than the architect has indicated, so roomy is the site.

SOCIAL AND ORGANIZATION ACTIVITIES

Celebrate Wedding Anniversary

Relatives and friends of F. W. Roepstorff, pioneer Englewood merchant and Mrs. Roepstorff, 6811 Stony Island ave., attended a party at their home Thursday night on the occasion of their fortieth wedding anniversary. The couple was married at Racine, Wis.

A dinner was served to twenty guests. Otto Sonderegger, son-in-law of Mr. and Mrs. Roepstorff, entertained them with lantern slides showing cities he and his wife visited while abroad on their wedding trip this summer. Views displayed were of London, Paris, Switzerland, Hamburg, Bremen, and other European places. Mrs. Sonderegger also had pictures of the German town of Meldorf, where her father was born. Mr. Sonderegger is a native of Switzerland and visited his mother while there.

Gifts presented to the couple included three pieces of French cut class trimmed with gold, two vases and a basket. The home was decorated with gladiolas and roses and flowers were given to the host and hostess.

Since the world's fair, Mr. Roepstorff has been a south side business man. He has conducted a dry goods store at 6128 Halsted st. for the past twelve years. He and his wife have a daughter and two sons, Edward and F. W. Roepstorff, jr.

Artists on Hamilton Park Program

After welcoming old and new members of the Hamilton Park Woman's club on the opening day, Tuesday, October 7, the president, Mrs. Joseph R. Newton, 7246 Princeton ave., will present a group of three artists who will furnish entertainment during the afternoon. Herman Felber, sr., cellist, Herman Felber, jr., violinist, and Jo Anderson, pianist, make up the musical trio.

Their program is as follows: "Trio in D Major, Opus 70, No. 2," Beethoven; "Polonaise Brilliant," cello solo, Popper; "Dreams of Love," trio, Liszt; "Liebesfreud," piano solo, Kreisler; "Zigeunerweisen," violin solo, Sarasate; "Thunderbird Suite," trio. In this group will be included "From the Village," "Before Sunrise," "Nuwanas' Love Song," "Night Song," and "Wolf Son (War Dance)."

Many Join Sewing Club

Response to the first organization meeting of the Ogden Park Girls' Sewing club Saturday was so great that the anticipated plan of having but one class of twenty-five members had to be changed. Forty-five applications for membership were received.

The new plan is to have one class of twenty-five meet at 10:30 o'clock Saturday morning and the other class of the same number meet in the afternoon. Both groups will sew in room 3 of the park Field house under the direction of Mrs. A. Gunty.

Several openings exist for girls between the ages of 9 and 14 in the new class.

Benefit House of Good Shepherd

The benefit dance and vaudeville for the House of Good Shepherd, to be given by the Illinois Club for Catholic Women, at Trianon ball room Monday evening, September 29, promises to be a brilliant affair. The committee in charge, largely made up of south side members, under the chairmanship of Mrs. Joseph Owen of Minerva ave., is working hard for its success.

The Illinois club for Catholic Women, while only organized in April, 1923, by its president, Miss Julia M. Deal, has a large membership and a club house at 814 Michigan ave. During the winter months dancing and other classes are conducted, and there are many interesting activities. The monthly meetings are held at the House of the Good Shepherd.

Mystic Club Has Birthday Party

The last meeting of the Mystic Bunco club was held Wednesday afternoon, September 17, at the home of Mrs. Frank Luebke, 6501 Justine st. Mrs. Luebke's birthday occurred the same day and the meeting took the form of a party.

Prizes at bunco were awarded Mrs. H. Byjick, 6338 Laflin st., Mrs. Mary Ellefson, 7314 Michigan ave., and Mrs. Luebke. Refreshments were served. The next meeting of the club will be held Monday, September 29, at the home of Mrs. W. G. Fortin, 7117 Carpenter st.

Ladies' Aid to Celebrate

A birthday party, marking the first anniversary of the dedication of the Lutheran Church of Our Redeemer, 64th st. and Harvard ave., is being planned for the next meeting of the Ladies' Aid society, Thursday afternoon, October 2. Special talks, musical numbers, and other selections will be included in the program.

Washick-Ryan Nuptials

Miss Elsie Washick, daughter of Mrs. Mary Washick, 7821 Aberdeen st., and Joseph B. Ryan, son of Mr. and Mrs. James Ryan, 7028 Laflin st., were married Tuesday morning, September 16, at 9 o'clock, in St. Sabina's church, 78th and Throop sts., the Rev. Father Egan officiating.

St. Carthage Organizes Social Club

On Monday evening of last week the first meeting was held of what promises to be a popular parish organization for young men and young women of the south side. The Rev. Walter E. Croarkin, assistant pastor of St. Carthage church, with the following officers, will guide the destinies of the

Timothy E. Dunne

club for the ensuing year: Timothy E. Dunne, president, Irene Enright, vice president, Elizabeth Farrell, recording secretary and Clarence Kloman, treasurer.

The first feature in the year of activity this organization promises is an old-fashioned Hallowe'en dancing party, which will be given at the K. of C. club house, 6323 Harvard ave., on Wednesday evening, October 29, when the Benson Collegians will furnish the music. All the old hallowe'n stunts and novelties will be seen, cider and doughnuts to be among features. "Make this dance different" is the slogan of the officers in charge.

The next event will be a dramatic production, for which rehearsals will commence next week. It will probably be staged about Thanksgiving.

A name contest has been started to give the club a unique and distinctive name instead of the one at present used and a great number of suggestions have been made. Some of them are "Carthaginians," "Southtown Harmonizers," "Unity club," Monday Night Social Steppers," "Harmony club," "Dunright club," and "Anonymous club."

Heralding the Advance of Fall

FROM the earliest days of this business our faith has been in quality merchandise. By this we mean merchandise that is produced with a determination to make it as good as possible—distinguished from merchandise that is skimped in manufacture so it can be sold for a low price.

It has been our experience that quality merchandise attracts and holds the most desirable class of patronage in the community. The remarkable growth of our store is conspicuous proof of this.

Those who understand true economy know that a sound article at a fair price is a better value than an inferior article at a slightly lower price.

Even a casual glance will impress one with the **"high character"** of these modes. And this character is apparent not only in their clever styling but also in the **perfection of details**—richness of materials and faultless workmanship.

And these are a few of the smart models for Fall wear which will be found at The Standard.

Where Style, Quality and Economy Meet

Right at the height of the season, you will welcome this opportunity to purchase Dresses and Coats of finest quality and styling at an economical price. Bear in mind that apparel from The Standard means the very best you can get. For three days, beginning Thursday, we offer this special value:

Frocks
Charming modes, all the newest, most distinctive styles. Embracing such attractive materials as Bengaline, Satin, Brocaded Chenille and Georgette; specially grouped at **24.75**

The columns of the Economist are for the use of its readers. Personals, social and organization news, church notices, etc., if bearing name, address and phone of sender, will be published free of charge. Copy must reach the office not later than Monday night.

The Southtown Economist is published in three editions. This edition, delivered every Wednesday, carries the news of Englewood, Normal Park, Hamilton Park, Park Manor, Ogden Park and the Garfield district.

The West Edition, delivered every Thursday, carries the news of West Englewood, Ogden and Sherman Parks, Englewood-on-the-Hill, Marquette Manor, Marquette Park and Chicago Lawn.

The South Edition, delivered every Tuesday, carries the news of Auburn Park, Gresham, Brainerd, Walden, Tracy, Washington Heights, Beverly Heights, Beverly Hills, and Morgan Park.

To those not in the distribution territory and unable to call at the office, the Economist will be mailed for $1.50 per year.

Say not "a small event"! Why "small"?
Costs it more pain than this ye call
A "great event" should come to pass
From that? Untwine me from the mass
Of deeds that make up life, one deed
Power shall fall short in or exceed!

LET'S MAKE SEWER FIGHT IN EARNEST

Southtown's sewer system is again coming to the fore as a topic of discussion in civic and improvement organization circles, getting new impetus from the Englewood Commercial and Civic association this time. Periodically and spasmodically interest revives in this highly important subject, reaches a fever heat, and subsides with a change of officers or for some other reason. The chief obstacle to getting relief from the present deplorable conditions, due to the antiquated systems now in use, is the lack of unity between neighborhoods.

The nearest approach to unity was demonstrated in the Aberdeen st. sewer compaign last winter, but the opposition put forth greater effort to oppose the project than the advocates made to secure the improvement in spite of the fact that the opposition was numerically and territorially less.

Next spring, with the rains that come before the frost has left the ground, eliminating the possibility of the soil absorbing the excess water and forcing the twenty- and thirty-year-old sewers to carry a greater load than they were ever built for, basements will be flooded, subways will become impassable, delaying traffic, the drinking water's purity will be endangered and no end of inconvenience will be endured. This has happened repeatedly for several years. How many years more the dear public will have to suffer is problematical.

One thing sure is: if every business men's organization, and every civic and improvement association would delegate a representative or committee to work with like delegates from every other similar organization for the one purpose of providing adequate sewer facilities, charging this intra-organization with the duty of making a survey of present conditions, planning a comprehensive system of improvement that will give relief for years to come and then arousing a sufficient public sentiment for the improvement, the district will get an adequate sewer system.

A city's policy of spending millions of dollars on street widening, parks, stadiums and front yard improvements and allowing the sewer system to become obsolete and antiquated, is just about as ridiculous as a housekeeper who shines her parlor windows and never sweeps the kitchen.

Let's get organized and go after a sewer this time and stay with it till we get it.

THE LAST HURDLE

Only one more "if" blocks the actual start of work on the construction of the Englewood Y. M. C. A. building for which the community subscribed $122,000 last spring. The committee has maintained that Englewood must have a building to suit its needs regardless of the cost. This contention is sound and should be carried out. That is part of the reason for delay in starting work. Last Monday night the committee tentatively agreed on the kind of a structure that would be satisfactory and work will start very soon "if" the cost of construction is not too high.

Because of the many angles to be considered in a project of this size, work necessarily proceeds slowly and must be done with extreme caution.

The committee is to be congratulated on the progress made. The time consumed in getting the subscriptions pledged, choosing the site, and getting the building under way will be a year less than was taken for similar work in another part of Chicago.

ENCOURAGING REGISTRATION

Presidential election every fourth year always calls out a larger proportion of the voting populace of our country than is attracted to the polls for balloting that may be needed in intervening years. Yet in 1920 there were only twenty-seven million votes cast in the entire United States; in 1916 there were eighteen million. In a country of one hundred million population. There is grave danger that the clouded issues of the 1924 presidential campaign may influence many who are potentially active and aggressive citizens to join the ranks of those indifferent to their rights of franchise, the intelligent exercise of which is one of the first duties of citizen-hip.

The very complexity of the situation confronting us should challenge every man and woman in the country to do some downright studying, arrive at his or her honest conclusion, and then see that this opinion is given a chance to help mould the mass of public sentiment.

Why talk of the need of getting out the vote with the elections still more than a month away? Because the first of the two pre-election registration days falls on October 4. The second is October 14. Every voter, whether or not he has been previously registered will be required to register again this fall. We would like to see community forces uniting in an effort to make the fall registration as nearly 100 per cent of the voting population as possible.

The Kiwanis clubs, a number of women's clubs, and many other organizations have announced that the encouraging of universal voting will be among their fall objectives. Let us have the announcement of the voters' registration dates made at every organization meeting taking place between now and October 14, let them be announced from every pulpit, talk about it in the schools that the children may influence their parents, and let each patriotic citizen appoint himself a committee of one to see that his neighbors and near associates make the necessary preparation to vote in November.

Through failure of the honest men and women of the country to actively participate in citizen-ship duties, a republican form of government will inevitably disintegrate and decay. For the disrupting forces of private interest and greed are not unmindful of the power of the polls, and the man who does not care, and does not vote, is in effect casting half a ballot for the forces he would oppose, since he is not doing what he can to counteract them.

Wherein Readers Have Their Say

(Letters to be inserted in this column must bear name and address of the writer. The signature may be omitted, however, when the letter is printed if writer so requests.)

OPPOSES MARQUETTE WIDENING

It having come to my attention that agitation has arisen of late in favor of widening Marquette rd. (67th st.), I am writing to protest against such a move.

First, let me point out that to widen this thoroughfare would destroy its beauty, as most of the many trees, shrubs and lawns that now border it would have to be sacrificed in order to gain the additional width sought.

Second, the end desired—more room for through, fast-moving traffic—could be obtained by boulevarding 68th st and making that street and Marquette rd. one way thoroughfares, one being reserved for westbound traffic and the other for eastbound vehicles. In this way, the desired results could be obtained in considerably greater measure than by widening Marquette rd., and without the disadvantages of the latter plan.

One way streets are the coming thing, I believe. In large foreign centers, they already are much in vogue and are proving highly successful. London, Paris, Rome, Berlin all have them.

Surely, it is no great inconvenience to travel just one block farther to get on the street carrying traffic in the direction one wishes to travel. What little inconvenience there is matters little compared to the greater dispatch with which one can move over a one way street.

In conclusion, I predict that the one-way street will be common in Chicago before many years have elapsed.

DR. R. D. HUGHES,
6716 Emerald ave.

60TH ST. TO RELIEVE 63RD

The problem of increased traffic and consequent congestion on 63rd st. could be worked out wonderfully if some enterprising publicity medium such as the Economist would advocate and urge the paving of 60th st. from State st. west. This is the widest and best through street from South Park ave. to Halsted st. and if repaired, hundreds of automobiles would use it instead of 63rd st.

With very little work, and that only under the Rock Island and Pennsylvania tracks, the street could be made a perfect avenue of travel.

I firmly believe that 60th st. from South Park ave. to Halsted st., and least, will ultimately be one of the best traveled boulevards of the south side.

Business houses on 63rd st. and also Halsted st. would be benefited immensely by bringing autos through that way.

If the Englewood Civic and Commercial association and the Englewood Business Men's association would combine efforts on this plan I predict that the results obtained in additional business for all would be well worth while.

GEORGE B. DOW,
336-338 W. 63rd st.

MORE STREET WARNINGS

Haven't the South Park Commissioners, in their program of erecting automatic "stop and go" signals at all intersections of street car lines and boulevards, overlooked places where warning signs are much more necessary? I mean at those intersections where side streets cross boulevards. The ordinary driver always takes precautions when crossing street car tracks, and is able to do so as he can see them at least a block ahead.

But with boulevards it is impossible to tell whether they are heavily trafficked thoroughfares until a driver is so near to them that it is impossible for him to stop. Normal blvd. and Marquette rd. are two boulevards that should be protected. Drivers foreign to the neighborhood drive across them without stopping, often times barely avoiding a collision, and even drivers who know they are boulevards fail to stop when the need for doing so is not enforced by warning signs.

There were songs by the Misses Hazel and Mildred Foster and Miss Aletha Haas and Mrs. Edward Lloyd, Miss Haas, a solo by Leslie Skow, accompanied on the piano by Mrs. H. Hanson. There were readings by Miss Vera Stephens, after which refreshments were served.

SOUTHTOWN INFANT WELFARE ASSOCIATION MAKES PEAK HEAD

REPORT ON STATION BY SUPERINTENDENT SHOWS MUCH WORK ACCOMPLISHED

William K. Peak was elected to succeed Dr. F. G. Moore as president of the Southtown Infant Welfare association at the election of officers held Thursday evening. C. N. Bergstrom was chosen vice-president; Dr. Helen Button, secretary; and Edward Barry, treasurer.

On the board of directors are Frank R. McGarr, Dr. Charles Hillier, and F. P. Hildom, for a three year term; Merle Fisher and Robert Barbee for two years; Dr. Moore and Mrs. Charles H. Brown for one year.

A meeting of the board has been called for 8:30 o'clock Monday evening, September 29, in Dr. Moore's office, 6255 Ashland ave.

The report of Mrs. Brown, who is superintendent at the station, shows that 900 babies were registered there the first year (the station was established in May, 1923) and 1,176 have been registered to date. Out of this number there have been only three deaths. The total attendance at conferences to date is 7,208, with the largest conference in one day numbering 132.

A total of 134 conferences have been held since the station's establishment and an average of four volunteer helpers have assisted at each.

"The expense of operating the station, which serves a district of approximately ten square miles," said Mrs. Brown," was $3,504.91 the first year, and for the four months of this year $942.60. The amount was expended for supplies, charities, salaries, and incidentals."

Mrs. Brown's report mentioned support that had been received from the Lions club of West Englewood, West Englewood Business District association, Englewood Woman's club, Thirty club of Auburn Park, Neighborhood House Woman's club, Hamilton Park Woman's club, Morgan Park Woman's club, Gresham Woman's club, Marquette Manor Woman's club, Chicago Lawn Woman's club, South Side Catholic Woman's club, Woman's Relief corps., Auburn Park Woman's club, Normal Park Chapter, O. E. S., Chicago Lawn Chapter, O. E. S., Calumet P. T. A., Oglesby P. T. A., D. S. Wentworth P. T. A., Perkins Bass P. T. A. and many citizens and friends, and mothers of Ogden Park station who have contributed to the station's support.

She praised the endeavor of those who had assisted in station activities which had helped with the finances and expressed appreciation of the organization and mothers who have brought their babies to the station for the personal efforts that have bene extended many individuals.

READ ECONOMIST, SAVE TWENTY-FIVE CENTS

The Economist would inform its readers that, in case they receive a letter from a clipping bureau to the effect that that organization is in possession of an article "of such personal nature that it would prove of interest to you"—offered in consideration of 25 cents—it might be well to find a copy of the Economist and keep their "two-bits" in their pockets.

Several times within a few days readers have brought the matter to our attention. The following letter is first received:

"Dear Sir:

"In the regular course of their work, one of our readers have found, in a newspaper of recent date, an item in which your name is mentioned.

"This article is of such personal nature that it would, in all probability, prove of interest to you. If you will send us 25 cents and return this letter for identification and to insure correct address, we will be pleased to send you the clipping referred to.

"Very truly yours,
(Signed) THEODORE CHARNEY,
Charney Press Clippings Bureau,
1841 N. Hammond st.,
Chicago, Ill.

Impelled by curiosity, the recipient usually mails the 25 cents and, in the cases brought to our attention, received in return a clipping from the personal column in the Economist which he had already read.

Southtown Music and Musicians

MUSIC COMMON LANGUAGE FOR WHOLE WORLD

Few of Life's Activities Are Without Musical Accompaniment

(Below is the first of a series of articles on music, especially as it pertains to community life, to be written for the Economist by William M. Mason, musical director of Lindblom high school. Mr. Mason's extensive and varied experience in the musical field and his direct contact, through the more than 4,000 students at Lindblom, with so many of Southtown's homes, uniquely fit him to have ideas that are worth while. We recommend his articles to Economist readers.—Editor's Note.)

By William M. Mason

"The Utterance of life is a song—
The symphony of nature."

Music is life's universal language. It forms the accompaniment for every measure of our earthly journey, from the lullaby of childhood to the solemn requiem of our closing day. Through the magic of its various modes and rhythm it suits a melody to every feeling and emotion that comes within our experience. There is not a soul as hard that old familiar songs will not soften. There is not a life so far astray but that sweet refrains will recall it to tender memories. It lifts the weight from heavy hearts and makes us joyful amid the toils of life. Have you ever thought of music in this way?

The fact is, we little appreciate the great hold music has upon us. About every other home has a fine piano, and seldom is it used as an ornamental piece of furniture, but some member of that home is taking lessons on it. And if it were used simply as a piece of furniture it represents an outlay of several hundred

Economist Photo
William M. Mason

dollars. That is more money than you put into rugs, dining room sets, or bedroom furniture, and it announces to all your interest in music.

The same may be said of your Victrola and record collection. Figure out the money you have invested there and you will be surprised at the amount. Again, the radio has become so common and necessary that no real up-to-date apartment is complete without. So, taken all in all, music, as represented by the piano, victrola and radio, takes a very definite place in our every day homes

There is no other art that has become so much a part of our lives. Every large business house or industrial institution has its band, its orchestra or its choral society, and you are solicited to join one of these organizations. The modern industrial system has found that monotony, fatigue and discontent are almost eliminated when music is introduced in the factory, and so there have been installed phonographs and radios right in the workshops, with hired entertainers to furnish amusement during the rest hour. Many of the large auto manufacturers have employed choral leaders to get the men to sing every day.

If you go to the movie, the musical program is about half the show. In your lodge, your club, or your various social gatherings, the major part of your entertainment is of a musical character, while if you go to church and the music is poor you come home in a critical frame of mind. The wise pastor today has the best music his church can afford because he knows his congregation comes to church as much to hear the music as to hear him preach.

The nations of Europe have laughed at us these many years because of our music. They say we have not the musical habit, that we do not care for real music, that we are jazz crazy, that we express our music through the feet rather than through the heart. Are they right about all this? If not, have we an answer?

Next week we will attempt to show that we are a real musical people.

JUEL PROSSER GETS MU PHI EPSILON SCHOLARSHIP

Miss F. Juel Prosser

Accredited with having a voice with the greatest possibilities of all those contesting, Miss F. Juel Prosser, 19 years old, 8422 Marshfield ave., a contralto, was awarded the $100 prize applicable to tuition in the Columbia School of Music in the contest held September 8, under the supervision of the Mu Phi chapter of the Mu Phi Epsilon sorority, at the music school. The contest was open to women under 25 years.

Miss Prosser graduated from the general course in the Englewood high school with the June class. While in high school she took part in operas, glee club work, the Dramatic Revue, and the French club activities outside of regular class work.

Training in both piano and voice will be continued by Miss Prosser at the Columbia School of Music. At present she is also studying Italian. She has ambitions to do operatic solo work.

MUSICAL DIRECTOR HONORED BY CHURCH

Professor Robert Stronach and family, 6505 Yale ave., were guests of honor Tuesday evening, at a reception at the new Trinity Methodist Episcopal church, Prospect ave. and 99th st. Candles and Japanese lanterns provided lights in the gymnasium of the community house where seventy members of the congregation gathered to meet the new organist and musical director.

Talks were made by the pastor, the Rev. A. T. Stephenson, and by Congressman Elliott W. Sproul. Robert G. Felts was in charge of the musical program.

ORA RIMES TO STUDY MUSIC IN NEW YORK

Miss Ora Rimes, 502 W. 60th pl., left Tuesday morning for a musical season in New York City. Miss Rimes is planning to study piano with E. Robert Schmitz, and ensemble at one of the New York music schools. She expects to make the most of the variety of musical treats that a winter in New York has to offer. Her class in Englewood is being left in the hands of whom are students at the Columbia with Miss Opal Felkner, both of whom are students at the Columbia School of Music

ANNUAL CONCERT OF DORCAS SOCIETY TO BE SATURDAY

The Dorcas Society of the Bethlehem Lutheran church, 58th and Wills sts., will conduct its annual concert on Thursday evening, September 25. The program will be rendered by the Arion Male chorus, Kantor Lundein of Vexio, Sweden, tenor, Miss Marion Dahlen, pianist, and Prof. Per Olsson, organist

Church News

(Contributions of news concerning church services and events will be welcomed to this department and will be printed as nearly as possible in the form in which they are received. All announcements should be in the hands of the publishers before 11 o'clock Tuesday morning to assure their appearance in the paper. Clergymen, and members, of all denominations are invited to make use of the church column as their medium for communication with the public).

Green Street Congregational Church, 56th and Green sts., Francis C. Snyder, minister, 5757 University ave., Fairfax 5361. Morning worship, 11 a. m., subject, "Limitation and Co-operation." Sunday school, 10 a. m. This Sunday starts the Auto Race contest. Christian Endeavor, 6:30 p. m., Charles Constanzer, leader, subject, "The Place of the Church in Community Life." A social hour follows the regular meeting. Boy Scouts, Friday, 8 p. m.; Camp Fire girls, Saturday 2 p. m.

The special attention of choir members is called to a change in the time of practice from Tuesday night to Thursday night at 7:30 p. m.

On Friday evening of this week the ladies of the church are serving a chop suey super from 6 till 8 p. m. Everyone is cordially invited to be present. They are also preparing for their annual fall bazaar and are enlisting the co-operation of all ladies who are interested in the church

Normal Park Methodist Episcopal Church, 71st st. and Union ave., Rev. John H. Williamson, pastor, 7130 Harvard ave., Vincennes 6810. This evening, Wednesday, the various organizations of the church will unite in holding their annual banquet served by the Ladies' Aid society. Eli Cruse will preside, introducing the speaker, Congressman Henry R. Rathbone. The church male quartet, composed of Warren Schultz, Ray Bowers, Roy Williamson, and Robert Jessom, will sing, and the Rev. Mr. Williamson will give a brief talk.

Sunday's services begin with Sunday school at 9:30 a. m., followed by morning services at 10:45 a. m. and evening services at 7:45 p. m. The pastor will preach both morning and evening.

Friday evening the choir will meet for the first time under the new director, Oscar Heath.

Evangelical Lutheran Salem Church, 7352-8 Calumet ave., Conrad Bergendoff, 7352 Calumet ave., pastor. The Week Day Bible class will meet on Wednesday evening at 8 p. m. The Sunday School Teachers' Training class meets in connection with the Bible class.

The monthly meeting of the Martha society will be held on Thursday afternoon at 2 o'clock in the chapel. Mrs. A. Smith and Mrs. A. Noren will serve as hostesses. The Lutheran Brotherhood's monthly meeting takes place Thursday evening in the chapel.

On Saturday morning the confirmation school will commence its sessions. The classes of 1925 and 1926 are to be organized and children over 12 years of age are invited to attend.

Next Sunday, the Sunday school will convene at 9:30 a. m. English communion service begins at 10:45. The service in the evening will be in the Swedish language, and begins at 7:45.

Rally and Promotion day in the Sunday school is announced for October 5. The school is open and free to all children who wish to attend.

Normal Park Presbyterian Church, 71st st. and Yale ave., has formed what is known as the Church Extension committee. The purpose of this organization is to survey the field, keep in constant contact with every member in the parish and as many more as possible. The organization has been worked out with great care and is expected to function with profitable results. It will also assume responsibility for publicity and for the broadcasting of information concerning the church's program of activity. The chairman, P. M. McNabb, has called a meeting for tonight, Wednesday.

This church makes a great deal out of its music. Howard J. Bartle is the organist and Richard B. DeYoung is the director of music. It has three choirs, one for children, one for intermediate girls and the senior church choir. The three choirs form the vested chorus for all Sunday services. The choirs rehearse at 4:25, 7:15 and 8 respectively on Friday evenings.

MISSIONARY LEAVES TODAY FOR CHINA

Miss Ruth Broekema will be supported in her evangelistic work at Amoy by the Sunday school of the Englewood Second Reformed church.

Missionary service in the foreign field is the goal toward which Miss Ruth Broekema, an Englewood girl, has devoted her efforts since she was 13 years old. She left Chicago today, Wednesday, for New York and will sail for China to begin her career. The Sunday school of the Englewood Second Reformed church, 66th and Peoria sts., will support her work there

Study of the Chinese language will be made by the young woman for three years after her arrival, under the tuition of a native interpreter and instructor. Practice in the use of the tongue will be gained in the course of shopping trips and visits about the city.

Training for her missionary activities was gained at Hope college, Holland, Mich., from which she was graduated last year. Further preparation was received at the Kennedy school of Missions, of the Union seminary at Hartford, Conn. There Miss Broekema made a study of languages, specializing in the fundamentals of Chinese.

She is being sent out for five years by the board of foreign missions of the Reformed church of America. The denomination and her local church have assisted in helping her to obtain training.

Amoy is situated 400 miles south of Shanghai and has frequently been the objective of Chinese bandits recently. The Rev. Richard Vandenburg, pastor of the Englewood Second Reformed church, has a sister, Mrs. C. H. Holleman, engaged in missionary work seventy-five miles northwest of the place where Miss Broekema is to be located. Although the distance between the towns is not great, it requires a week to go from one to the other. The roads lie over mountains and travellers are carried in sedan chairs by Chinese. It required seventy-five coolies on relays to carry a piano along these roads to the woman's home. Her husband is a medical missionary in China.

Ogden Park M. E. Church, corner 68th and Loomis sts. Rev. Albert Bauman, pastor, 6755 Bishop st. Phone Republic 2006. Sunday, September 28, 9:45 a. m., Bible school; 11 p. m., morning worship. Baptism of infants and communion service; 6:45 p. m., Epworth League; 8 p. m., evening service, communion and love feast. Special music by chorus choir at both morning and evening services.

Sunday will be the last of the conference year and the last of the seven years' pastorate of the Rev. Albert Bauman as he will accept another church the coming year.

St. Bartholomew's Episcopal church, 6734 Stewart ave. 7:30 a. m., Holy Eucharist. 9:30 a. m., Church school. 11:00 a. m., Holy Eucharist and sermon. 7:30 p. m., choral evensong and sermon.

Hon. Henry Rathbone, congressman at large from Illinois, will be the speaker at the October meeting of the Men's club. His topic will be "Lincoln's Last Day." He is especially well qualified to speak on this subject because his father and mother were in the box at Ford's theater as guests of President Lincoln when the president was assassinated.

WILL YOU "TUNE IN" ON LIONS BOYS' BAND CONCERT SATURDAY?

WILL MAKE TRIP TO LOOP IN MOTOR BUS; LUNCHEON AT TEMPLE ON RETURN

The Auburn Park Lions club has engaged a double deck motor bus to take members of the Lions Boys' band to the loop next Saturday evening to give their first performance over the radio. A thirty-five minute program given by the boys will be broadcasted from WMAQ, Daily News station, at 8 o'clock.

The band members will assemble at 79th and Halsted and leave the corner at 7 o'clock. After the program they will be brought back to the Auburn Park Masonic temple where a luncheon will be served. Members of the Lions club and their friends will be on hand to welcome the boys and aid in the jollification.

In the concert to be given there are six numbers, march, "Under Arms"; Caprice, "Mariana", a cornet duet by two of the boys; Mazurka, "Dew Drops"; march, "Peace and Prosperity"; and a xylophone solo by Harold Johnson.

"We hope all our friends will tune in Saturday night," said Charles F. Pasal, director of the band, "and then let us know what they think of our concert."

A. C. Amidon is band director.

PLAYS CHOSEN FOR OGDEN PRESENTATION

The south parks of Chicago, through the dramatic director, Miss Henrietta Fetzer, has been fortunate to secure the free rights of plays from several American playwrights. Ogden park is receiving the benefit of this privilege by having already cast a charming three act play for children, "Cinderella and Her Cat," by Mrs. Antoinette Wood of Boston, Mass.

Miss Fetzer brought Mrs. Wood's play with her from Boston two years ago and the presentations of it in the south parks will be the first production in Chicago. There is a $15 royalty on this play, but Mrs. Wood, appreciating the work that is being organized in the south parks, and knowing Miss Fetzer personally, granted the free use of her play.

This play was cast last Thursday in Ogden park with the children's group as follows: Cinderella, Ruth Glascott; prince, Eleanor Quanstrom; Soot, the cat, Jean Miller; Maria, Helen Caronti, Cornelia, Catherine Mulcahy, The Godmother, Marjorie Martin; pages, Dorothy Silverman, Mildred Scharlow, Evelyn Leache, Elva Schaffer, Gladys Riel; queen's ladies, Julia Pedersen, Sylvia Hansen, Irene Synke, Evelyn McCormick.

The High School group has decided to present a three act comedy, "Dan Cupid, Head Coach."

The children's group organized a dramatic club with president, Eleanor Quanstrom, vice-president, Fannie Santoriani, and secretary, Catherine Mulcahy.

Miss Fetzer has a number of openings in her cast for the adult group and she is eager to have a full cast on hand Thursday that the play may get started and be ready for production before Thanksgiving Day.

WILLIAMS, THOMPSON TO ADDRESS W. C. T. U.

SCOUTS ENTERTAIN HAROLD VOLLMAN

Harold Vollmann, Sea Scout and senior patrol leader of the fifty-six Scouts who represented the United States at the international jamboree in Copenhagen, was guest of honor at two affairs last week. The first, given by Boy Scout leaders of the Southwest district, was held at the Chicago Beach hotel Thursday evening. Friday evening Vollmann was entertained by members of his own troop, 605, of the Green Street Congregational church where the honoree [illegible]

Scoutmaster Willis McEwan had charge of Friday evening's program, while Robert Morrison presided as toastmaster. The Rev. F. C. Snyder, new minister at the Green st. church, assured the boys that the Scout work would be carried forward with renewed activity during the coming year as J. S. Snyder, brother of the pastor, will assist Mr. McEwan.

After Vollmann had given a description of his trip to Denmark and other countries of Europe, the review before the King of Denmark, America's winning of the jamboree, and finally the journey home, he was given a leather covered scrap book. The scoutmaster made the presentation.

LEW KELLY TO BE AT NATIONAL NEXT WEEK

Lew Kelly, for several years considered one of the best legitimate comedians that adorn the American stage, and this season at the head of his own company playing the Mutual burlesque circuit, started in public life as a ball player with the Colorado State league.

His first stage experience was with the excellent dramatic stock company at Elitch's Garden, in Denver, the stage director of which was Walter Clarke Bellows. Mr. Kelly first introduced his now famous characterization of a dope fiend while with Ward and Vokes twenty years ago, and so deep an impression has it made on the public that Mr. Kelly is fearful that like the late Joseph Jefferson's Rip Van Winkle, he may never be seriously accepted in anything else.

Among the distinguished authorities who have commended Mr. Kelly for his masterly portrayal is David Belasco, who has declared it a distinct contribution to the gallery in which the really great portraitures of the American stage are enshrined. Mr. Kelly comes to the National theater next week with a company every member of which has been selected by himself.

AUSTRALIAN MENDOZAS ON ENGLEWOOD BILL

The Australian Mendozas, the most thrilling act in vaudeville, will be seen at the Englewood theater, 63rd and Halsted, for three days, commencing with a matinee Tuesday of this week. Other big time features to be presented are: Football Fantasies, comedy and music; Hendrix Belle Isle, introducing a funny schoolroom scene, with harmony singing; Vardon and Perry, laugh provokers; Ryan and Moore, in songs and dances; and the clever Musical Bowleys. Pathe News Weekly and the laugh producing film, Aesops Fable. A special comedy reel will be shown Saturday afternoon for the children.

Oriole Craven and Band, a headline attraction, will be the feature for four days starting Sunday matinee. Harry Breen, a big loop favorite, is to appear. Others to contribute are: Will Stanton and company, Coppman and Carroll, Maxfiled and Stone, and Foster and Peggy, making an extraordinary six act vaudeville bill.

Paris, Sept. 8.—"How the leopard got his spots" is a story Paris is telling as well as Kipling. From one end of Paris to the other it has been agreed that the leopard is to be popular.

The "really truly" leopard—the one that slept under the trees in the woods and got burned in spots where the sun filtered through the leaves onto him—is used, of course. Then there are imitations, yellow, hairy cloth-printed in spots, the leopard spot effect in batik on silk, chiffon velvet, etc. All are at fashion's command this season.

Worth's attractive coat sketched here is skunk trimmed. Its lines are as straight as possible.

Let us hail with joy the long wrap-over collar. Without a doubt it makes one of the most graceful lines.

Worth believes in "pale hands pink tipped," for with many of his models he adds a muff. (This reminds me that an old beauty hint is "Keep the extremities warm.")

The tiny inset sketch gives an idea of the smart black ottoman frock worn beneath the coat. It is trimmed with gold buttons and has the cross-over neck effect and the straight tunic, which is one of the most important features of today's mode. You will note that the fur edging on the dress also does duty, giving finish to the coat. The same idea is to be seen marking many of the newest ensembles. Worth's skirts are decidedly short, some reaching almost over the turn of the calf.

Favorite Recipes

IN every mansion, bungalow, or apartment where there is a kitchen range and a woman interested in appealing to the epicurean tastes of her family, either through the work of her own hands or the efforts of her cook, there's a "favorite recipe," a "sure fire" formula for some delectable concoction that the mistress of the household likes above all others. Perhaps she gives it to her friends. Perhaps the precious list of measures remains known only to herself. "Favorite Recipes" will print, each week, a limited number of formulas, submitted by housewives of the district. Send in yours, addressed to "Favorite Recipes," Economist, 728 W. 65th Street.

English Fruit Cake

Mrs. Frederick Rowley, 7327 Princeton ave., chooses this cake recipe from a long list of favorites. With cold weather approaching pastry will return to popularity, making the recipe one worth clipping for future use.

It requires ½ pound butter, 2 cups sugar, 6 eggs, 4 cups flour, 2 teaspoons baking powder, ½ pound currants, ½ pound raisins, a piece candied orange peel or more if desired, candied cherries or pineapple. This will make two small loaf cakes.

Beat together butter and sugar until creamy. Then break into this the eggs, one at a time. Beat well. Rub the fruit into the flour, then mix with the batter. Grease the tins well and line with paper. Bake in a moderate oven for one hour.

Mrs. Rowley has made the discovery that if the cake pans are placed inside of a dripping pan while baking the heat will not burn the bottom of the cake.

Washday Favorite

Mrs. Margaret E. Collings, 517 W. 64th st., has solved the problem of providing substantial and appetizing food on "washday" without interfering with the day's work. This dish she prepares the day before, and serves cold with a cup of tea or coffee.

The ingredients are a ham bone and the end of the ham itself, boiled with red kidney beans After cooking the beans to almost a cream, she mashes a portion of them against the side of the pot. She then adds ¼ pound butter, two small onions diced, and seasoning.

Rice cooked in a steamer over the ham and beans completes this southern French dish.

If desired, garlic may be rubbed around the bowl in which the food is to be served.

Boiled Salad Dressing

Mrs. A. Harry Wilsdon, 537 W. 61st st., has an enthusiastic family circle to praise her salads on which she uses a dressing prepared from the following ingredients.

½ cup sugar, ½ teaspoon mustard, 12 tablespoons vinegar, 2 eggs well beaten, 2 tablespoons melted butter, ½ teaspoon salt, 2 tablespoons milk.

Best results are obtained by placing all ingredients except the eggs and milk in a saucepan. Then beat eggs, add milk to them, and mix with other components in pan. Cook slowly, stirring constantly but slowly, until the mixture thickens, when it should be removed from the fire quickly and put in a cool place.

Corn Relish

Mrs. Roland Foster, 7140 Princeton ave., uses the following recipe for a favorite and seasonable dish:

1½ dozen ears corn, 1 head cabbage, 3 green peppers, 4 large onions, 1½ lbs. brown sugar, 1 tablespoon mustard, ¾ cup salt, 2 quarts vinegar. Cook 15 minutes.

LOOK YOUR BEST

By Margaret Magnus

Atlantic City
Sept. 10, 1924

Just returned from the convention of the National Hairdressers' association at the Breakers hotel and am going to report it at once to my readers. This is a most interesting convention—while there isn't anything particularly startling in the way of a new fad, yet there is much that is of everyday interest to all of us.

I heard a lecture this morning by Mr. Blatt of New York of the hair goods house which bears his name. He has just returned from abroad, the express purpose of his trip being to find out all about new hair styles over there, learn the situation and compare conditions there with conditions here at home. He said many people think that all styles are created in Paris, but they are wrong, for bobbed hair which has taken hold of and revolutionized the feminine world is a distinctly "made-in-America" product. As we all know it was introduced by Irene Castle.

In Germany there is little or no bobbed hair and in France, among the average middle-class women, it is seldom found, but of course the society and stage women are almost universally short-haired. However, Mr. Blatt states, at all social functions and even for ordinary dinner and theater dress, the "bobs" are all disguised with extra braids and curls. He says he believes that the normal woman of today will find a very happy combination in adopting for her rule: "Bobbed hair for daytime and sport wear but dressed hair for evening wear." It is the sensible, logical outcome of the present situation.

I saw a bobbed head dressed very effectively at a demonstration over on the Garden Pier last evening. The top was marcelled and a piece of hair with two flat biscuits over the ears was placed across the back. The effect was very good. It was neat—no bulky appearance as there usually is in pinned-on hair and with this one piece of hair all the short ends were hidden.

Dr. Emilie Shoree is working constantly on the pier giving facial after facial with a neck and arm treatment sandwiched in between. He is very clever and one might almost imagine him as a pianist, by the way in which he uses his hands on the face of his patient. There was an orchestra playing not far fram his demonstration platform and I vow he timed his manipulations to that music. Artistic temperament supreme!

In one corner of the exhibition hall is a wax figure dressed in hair. The skirt of her dress is made entirely of switches, her waist and sleeves are made of braids and curls and the collar of her dress is side waves. Very clever.

Madame Berthe, the inventor of "Zip," gives two demonstrations daily of her product. She says the greatest demand for it now is to remove the hair from the necks of bobbed heads. After a "Zip" treatment the neck presents a neater, cleaner appearance than can be obtained by clipping or shaving The secret of her remedy lies in the fact that it not only removes the hair but it devitalizes the follicle and in time kills it off entirely so hair will not grow.

Heard a wonderful lecture by a noted M. D. who explained some of the deeper scientific phases of our work. He dwelt at length upon the responsibility of the beauty specialist in being able to diagnose and prescribe for her patrons' troubles, especially the skin.

This is all for this time. However, I have something new up my sleeve to introduce when I come home. It is called "La Jeune Garconne" and I know my young readers will love it.

M. MAGNUS.

AUTHORIZE BOND ISSUE TO FINISH STADIUM

A bond issue for $3,000,000 necessary to complete the work on the new stadium in Grant park will be voted upon by south side residents this fall for at the meeting of the South Park board Wednesday of last week the project was authorized.

With $2,500,000 already expended on the structure, one unit with a seating capacity of 38,000 is completed. When the additional $3,000,000 is spent the stadium will form a horseshoe and accommodate 75,000 persons.

It will be dedicated as a memorial to world war veterans when finished.

CHURCH TO PRESENT KENTUCKY QUARTET

The Kentucky Jubilee Male quartet will appear at the Englewood Business College auditorium, 741 Englewood ave., Tuesday evening. The program, beginning at 8 o'clock, will be under the auspices of Our Lady of Solace church, 6238 Sangamon st.

CONCERT TO BENEFIT GIRLS FROM JUVENILE COURT

At orchestra hall will be given a concert on Tuesday evening, October 7, when Renee Thornton, Mrs. Richard Hageman, and Ulysses Lappas, tenor, will sing for the benefit of St. Catherine's Home for Dependent Girls. Richard Hageman will come from New York especially for this concert, and will preside at the piano.

Mrs. Frank L. McLaughlin of Rogers Park, general chairman of arrangements expresses the hope that music lovers will respond in large numbers ,since proceeds are to be used for purchasing a permanent home for dependent girls, wards of the juvenile court.

WHEN you think of the high prices in the exclusive fine piano class, you may wonder why the H. C. Bay Reproducing Grand stands alone—in tone, quality, beauty of finish, *everything*—at this low price.

The answer is Specialization and Standardization in one of the largest piano plants in the world, and the fact that it is sold throughout the county at a uniform price.

H. C. Bay Reproducing Grand

brings the playing of the master pianists of our time into your own home. The great music is at your command—rendered exactly as if the famous artists themselves were at the keyboard. Plays the Q. R. S. Recorder Rolls as well as the other standard 88-note rolls.

Played by hand it reveals the same superiorities in your own interpretation of classical, popular or dance selections.

Electrically operated as a reproducer. The simplest in mechanism and operation. Comes in beautiful satin finish dark mahogany case.

ST. RAPHAEL'S WINS CITY CATHOLIC TITLE

13TH VICTORY OF YEAR BRINGS CHAMPIONSHIP

Sweaters and Trophies to be Awarded to Team at Banquet

St. Raphael's thirteenth straight win did not prove unlucky for them as this victory over St. Gertrude's by a 9 to 5 score Sunday at Winnemac park brought them the city championship in the National Catholic league. With the championship they will receive a large trophy and a white sweater for every member of the team. The presentation of the prizes will be made at a banquet to be held in honor of the players in the near future.

St. Raphael's held the lead throughout in the final game with the north side title holders. After they had scored one run in the second session they started in earnest in the fourth and in this and the four frames that followed they counted. Each team collected ten hits but St. Gertrude's many errors aided the locals in rolling up their score.

C. Stalzer took the limelight for St. Raphael's by clouting out four hits in five trips to the plate. One of these wallops was a two-bagger. Mertes and Bailey each got two hits.

CITY FURNITURE TOPS KAY-BEE PIN RACE

City Furniture's quintet was the only team that made a clean sweep of their games at the opening of the Kay-Bee league Tuesday of last week. Three teams, the Continental Restaurant, Golden Rod Creams and the Imperial council, N. A. U., tied for second place by winning the odd game from their opponents.

Hudson immediately jumped to the top of the individual standing with 593 for his three games which gave him an average of 197.2. His high game was a 231. Henning, who landed second place in the individual standing, rolled 242 for high single game honors. The league bowls every Tuesday at the Kay-Bee Recreation parlors, 750 W. 61st pl.

Out of the Rough

By Fred S. Clisbee

GOLFER'S DICTIONARY

Fairway—The mowed grass lying between teeing ground and putting green. It is usually about 90 feet wide.

Rough—Long, heavy grass bordering the fairway to catch inaccurate shots. The safest way of playing out is to sacrifice distance and get the ball out.

Flag—Marker inserted in hole designating location of hole on putting green. This is removed when players are putting or when a ball being played is less than 60 feet from flag. This rule is used mostly in tournament play.

Out of bounds—When a shot carries beyond bounds of the course or place designated as out of bounds by the ground rules another ball is played and the player loses a stroke and distance.

Match play—The winner is decided at each hole. The player having the greater number of holes won takes the match.

Medal play—The total number of strokes for the round are counted. The player having the lowest number of strokes wins.

Scotch foursome—Where four players comprising teams of two play a match. If either player on a team has a lower score than the opposing team on a hole one point is credited for best ball. If the aggregate score of a team is less than their opponents, one point is also credited. It is possible for a team to make two points on each hole. Of course, when the low ball of each team is equal, or the aggregate totals the same, these points are halved. The total number of points made by the teams during the round are added and the team having the greatest number of points wins.

Nassau—Team match of any number of players. Each member plays individual match for points. Points are given to the winner of each nine holes and the round, making it possible for a player to win three points for his team. The total points won by the individual are totaled and the team having the greatest number of points is declared the winner.

SOUTHTOWN ATHLETES PLACE IN "Y" MEET

Three athletes from Southtown won honors in the National Defense day indoor track meet held September 12 at the Central Y. M. C. A.

They are Raymond Spoerri, 5658 Union ave., won third place in the 20-yard dash, second in the 220-yard dash, second in the half mile run; Adolph Crook, 6043 Elizabeth st., third in the 100-yard dash, and first in the half mile run; Edward Effting, 8900 Emerald ave., first in the 220-yard dash.

The track meet was one of the features put on by the Chicago Y. M. C. A. as a share of its Defense day program. Central department won first place in the meet, Sears-Roebuck department second, and West Side department, third.

HOPE VICTORS IN FIRST ROUND OF CITY SERIES

Raschke Again Whole Show for South Side Champions

Hope Evangelical church team, south side Lutheran league champions, won the first round of a three game series with Bethel for the city honors and the Litsinger cup at Baumrucker-Jones diamond Sunday by the tight score of 3 to 2.

The teams were able to collect only five hits apiece and these were well scattered. Norman Raschke's stellar work on the mound and at bat was the whole show. He fanned thirteen men and hit 2.000 per cent. With two men on base in the second he struck out three men in a row to keep Bethel from scoring and it was his hit in the fifth with Smith and Boese on base that scored two of Hope's tallies.

The former Englewood high hurler came in with the winning run in the seventh after he had drawn a pass, stole second and then was sent home by Garless' double.

An error gave Bethel their opportunity to score in the fourth. With two men on base and one out Raschke fanned Gellerson but Martin dropped the ball on the third strike and failed to tag the batter. Paradise then rolled out a slow grounder for what should have been the final out but while he was being thrown out at first Schmidt came home from third. Raschke made Riedecker whiff.

A smelly by Paradise scored Gellerson for Bethel's second run in the sixth.

The game only went seven and a half frames as Hope and Bethel were forced to give up the diamond to a senior game that followed.

The same teams will be in action at the west side field, 22nd st. and Kostner ave. next Sunday for the second game on the series.

One more victory is all that Hope needs to win the championship and the cup and they are determined to make a clean sweep of the series with the northsiders. Bethel is equally determined to win Sunday's game and thus go back on even standing with the locals. Both nines will use the same lineup as they did in the last encounter.

HICKORY HILLS CLUB GOLFERS TO HOLD ANNUAL TOURNAMENT

MEET THRUSDAY WILL BE FOLLOWED WITH DINNER AT CLUBHOUSE

Members of the Hickory Hills Golf club will hold their annual tournament and dinner Thursday. President Flury and Vice-President Visk are making great preparations to entertain the members in the new dining room recently opened in the clubhouse.

Fred Eskridge, of the Apex Radio shop, 6914 Halsted st., winner of the tournament last year will be out for the honors once more as will James Dohney, treasurer of the club, who was runnerup in the 1923 meet. Dohney and Eskridge went into extra holes in deciding the title last year. Visk has been turning in remarkable scores throughout the season and he ranks as a favorite.

The sunken eighteenth green is expected to cause many of the entries considerable trouble and bring up their scores as it is sloping and difficult to approach.

The dinner to follow the tournament will be reserved for members only. The club has a membership of 102 social members beside the unit holders and the club directors are considering the purchase of 60 adjoining acres to enlarge the course.

SCHURZ HOLDS ENGLEWOOD TO SCORELESS TIE

Lack of Smooth Working Attack Keeps Purple from Counting

Lacking the smooth machine-like attack that comes from longer practice, Englewood failed to score against Schurz in the opening practice game at White City Saturday morning and the battle ended in a scoreless tie.

The game served to show, however, that the Purple has excellent backfield prospects in Singer and Yanke, the halves, Sanchez, fullback, and Richardson, quarterback. Richardson's ability is well known from his last year's experience but the brilliant work of the three newcomers was a surprise to those who had not seen the team in action before.

Schurz was in Englewood's territory throughout the first quarter. A Purple fumble that Neilson recovered brought them close but they never threatened to score. Englewood was unable to get an upper hand as the wind was against them and Bradley's punts fell short.

The second quarter was all Englewood's. Singer gained regularly on line plunges and a nice pass from Richardson to Yanke mixed in with this straight football brought the Purple eleven to within one yard of the goal on their fourth down but Schurz turned them back and punted out of immediate danger.

Unable to gain greatly and with the first half nearing an end, Bradley punted and the ball went over Schurz's line. Colin tackled one of the men whom he believed touched the pigskin and Englewood followers believed the Purple has scored a safety. The referee ruled differently and brought the ball out to the twenty yard line.

Englewood had possession of the ball during most of the second half and although they registered ten first downs to the northsiders' three they never came very close to scoring. Schurz's line held whenever the Purple threatened and Richardson was forced to try forwards. At the close of the game Verdell grabbed off the oval on a toss from Richardson for a lengthy gain but on another pass that followed immediately afterward Schurz intercepted the ball. Schurz's desperate attempts to gain by an aerial attack proved futile.

The Job of Being A Dad

By FRANK H. CHELEY
President Father and Son League of America

Editor's Note—This is the first of a series of articles on the relations of father and son, written by Frank H. Cheley, president of the Father and Son League of America. Every week a short article on some particular phase of boy activity will be discussed in an informal way, citing experiences with typical boys.

A few of the subjects to be discussed are: "What's in Your Son's Pockets?" "The Boy is an Efficient Mechanic—in His Own Mind." "Let Your Boy Ride a Hobby;" "What Good is a Gang?" "Father, Son and the Out-of-Doors."

Accompanying the article in this issue is a chart designed as a guide to fathers in checking on their standing. It might be interesting to examine one's standing today, and, say six months hence, after an effort has been made to bolster up the weak points, go over the chart again.

KNOW YOUR BOY

This being a real Dad to a boy is about all the real success there is in this world anyway—at least for fathers.

In fact, being a real Dad to a real boy is the biggest job in the world. Experience proves it.

If you knew as little about your business, and the average farmer as little about farming, and the mechanic about machinery, and the doctor about medicine, and the preacher about religion, the banker about finance, the lawyer about justice, as the average father knows about his own boys, this would be a very ineffective world! In fact, it would go to smash in thirty days or less.

The average father knows a heap more about advertising, and baseball, and investments, and credits, and golf, and labor conditions, than he knows about the problems, and activities of his own son.

"True as the world," I hear you say, "but how do you explain it?" By the fact that the average busy Dad is just thoughtless in regard to the boy's best welfare. "Good Intentions" is his middle name. Nevertheless, he gambles with chances that the kid will come through. He trusts to luck and to the Boy Scouts, the baseball team, and, of course, on the influences which the boy's mother exerts, and on the preacher to keep his boy straight (and they all do try), while Dad goes along busily making a living—and things.

Yet, what would a man take in exchange for his boy's confidences, esteem and fellowship? Like all good things in life, these must be bought, and the price is to take time or make time to study that boy, to play with that boy, to work with that boy, yes, and to dream with that boy. You may be certain, however, that such an investment pays daily dividends in fellowship, mutual understanding and a right start in life for the kid. Any boy will tell you so. Sounds reasonable, doesn't it? Did you every try it? Why not?

Oh, yes, there must be some preaching, too, but "sermons" that hike and play ball and go fishing and eat three square meals a day—these are the sort boys most enjoy.

The average boy has 3000 hours of time a year outside of regular routine of sleeping, eating and going to school. What does he do with all that time? Do you know? Find out, and then capitalize it with worthwhile activities, taking a hand personally now and then, and you'll save your boy and yourself, too.

And then you'll know you've been a real Dad to your lad, and that's life!

PULLMAN GRID TEAM TRIMMED BY CARDINALS

Winners to Face Badgers in League Opener Sunday

Chris O'Brien's Chicago Cardinals opened their season Sunday at Normal park by handing a 14 to 0 defeat to the Pullman Panthers, a strong Midwest League aggregation, in practice.

The Cardinals lacked polish in their offensive work but the former college stars that make up the eleven had little difficulty in holding the visitors. They had the advantage throughout except for brief periods in the third and fourth quarters when, after spectacular runs, Pullman got near the goal. Hanley and Sparry were Pullman's outstanding stars and it was the former's forty yard run in the third period that put the visitors within ten yards of scoring. Art Folz, tackling from behind stopped Sparry at this point.

The Cardinals line held firmly when hard pressed and Pullman's attempt to score on a pass was broken up. Pullman's other chance came near the close of the game when Sparry received a pass from Hanley thrown from the sixty yard line and went to the fifteen yard marker before he was downed. Again the Cardinals' wall was too much for them and their passes failed.

Both of the Cardinals' touchdowns came in the first half. Line plunges with Driscoll and McElwain carrying the ball and a lengthy gain that resulted from the completion of a pass from the former to the latter brought the Cardinals to the three yard line. King carried the ball over and Driscoll kicked for the extra point.

A Pullman fumble gave the Cardinals the pigskin in an advantageous position near the end of the second quarter and then a pass from King to O'Connor brought the ball to the five yard line. Bob Koehler plunged across the line. Folz kicked goal.

The McMahon brothers were not in the lineup and with the exception of the first quarter Folz called the signals. Paddy Driscoll worked the first quarter in the quarter back's berth and after resting up during the second quarter, finished up at half. The exceedingly hot weather was too much for McElwain and he went out at the end of the first period.

Lineups:

O'Connor	l.e.	Pochron
Hartong, Gillies	l.t.	Auger
Brennan	l.g.	Vainowski
Whalen	c.	Rauen
Henke, Hartong	r.g.	Propper

Driscoll, Folz	q.b.	Borden
Koehler	l.h.	Driggett
Herbert, Driscoll	r.h.	Sparrey
McElwain, King	f.b.	Hanley

Touchdowns—King, Koehler. Kicks—Driscoll, Folz.

The Cardinads will start their schedule in the American Professional football league Sunday at Normal park by meeting with the Milwaukee Badgers. Dunne, former Marquette university player will be with the visiting eleven but Bo McMillan will not join the pro ranks until he finishes his coaching job.

Reinhart, Cardinal end, downed after he received a forward and got off for a lengthy gain. The numerals 21 on his jersey distinguish him. It was gains like this that gave the Cardinals victory by a 12 to 0 score in a practice game with the Pullman Panthers Sunday. —Economist Photo

Y. P. E. GRIDDERS TO MEET STANDARD TEAM

Coached by James Farrington, the Young People's club of Englewood's football team will open its season Sunday at Ogden park against the Standards. This game will be the only practice contest before the club enters the Midwest league.

The Englewood team has been strengthened by the addition of Hory Larkin, former Hyde Park star. A new backfield has been worked in with last year's line.

MOHAWKS PROTEST LOSS TO BOOSTERS

Claiming that the Englewood Boosters lengthened the last quarter to allow them to score their winning touchdown, the Mohawks are protesting their 12 to 6 defeat at the hands of the Boosters at Parker field Sunday.

Although outweighed nearly thirty pounds to the man, the Mohawks gave the Boosters an even battle during the first three quarters and kept the score deadlocked a 6 all. The Boosters neared the goal for the second and winning touchdown near the end of the regular playing time and it is the contention of the losers that the timekeeper, a Booster member, gave his squad a few more minutes.

LOCAL GIRL HEADS D. OF I. BOWLERS

Miss Josephine Consier, 6503 Western ave., has been elected president of the bowling teams of Calumet Circle, Daughters of Isabella. Other officers are Miss Katherine Clancy, 824 E. 15th st., and Miss Georgia Luthringer, 6215 Greenwood ave.

A meeting of all the teams of the circle will be held Friday evening at the Hayes hotel, when plans will be made for the coming season. Last spring the circle won the Chicago Daughters of Isabella championship cup, and hopes are high for retaining the title. The first roll-off will be held Monday evening, September 29, at 6312 Dorchester ave.

PARKER LOSES PRACTICE GAME TO TILDEN, 20-0

Winners Use Brilliant Aerial Attack to Gain Regularly

Using a fast aerial attack after they had worn their lighter opponents out, Tilden Tech put across three touchdowns and chalked up a 20 to 0 win over Parker in a practice game at Normal Park Saturday.

Play during the first half was fairly even with Parker holding Coach Berger's eleven scorcless. Tilden had plenty of substitutes and at the beginning of the second half an entirely new squad was playing. The newcomers had little difficulty in gaining against Parker's team which was tiring rapidly.

Carney started things by breaking away for a ninety yard run for a touchdown early in the third quarter and after that Tilden, by means of a well developed passing attack gained regularly. Carney scored two more touchdowns.

Two of Tilden's regulars sustained injuries that may keep them out of play during most of the season. Capt. Urbik suffered a dislocated forearm and Hockin had his collar bone broken.

It Takes 40 Years to Build a Cemetery

Chicago's Most Beautiful Cemetery

Mount Greenwood

Is 45 Years Old

No commissions on lot sales paid to any person.

Real perpetual care—an honest contract—care funds in trust company's hands.

A properly developed cemetery—not a paper cemetery. Seven and one-half miles of sewers and drains prevent any possibility of wet graves or overflowed lots; 4¼ miles of water pipe connecting with the Chicago water system. Every lot in the cemetery properly watered during the dry season.

Lot prices moderate. Should be investigated by everyone wishing to secure a cemetery lot. Such investigation may save the mistake of paying as much or more for an unfinished lot in an undeveloped cemetery as would secure a lot in beautiful Mount Greenwood.

ATKINS-FREUND CLAIM BLUE ISLAND'S WINNING HOMER LANDED FOUL

TO SETTLE DISAGREEMENT BY RETURN ENGAGEMENT SUNDAY

Page's homer with Stewart on base allowed Blue Island to nose out Atkins-Freund, 6 to 5, in a Chicago league game at Blue Island Sunday and gave rise to a disagreement that ended in having a return game booked between the two teams.

Manager Paul Mikota of Atkins claimed that Page's four-base clout went foul by thirty feet but it was the umpire's contention that the ball landed fair. Since his nine outhit and outplayed the suburban team and until the ninth inning were ahead, Manager Mikota is certain that the locals can win and prevailed upon Blue Island to give them another chance. The return game will be played at Blue Island next Sunday.

ACE ARROWS VICTORS IN SEASON CLOSER

With a 5 to 3 victory over the Blackhawks at Washington park the Ace Arrows closed their diamond season Sunday. The team ran up a record of eighteen wins and only seven defeats during the season.

Madden's airtight pitching was largely responsible for the team's final victory. He allowed the Blackhawks only two hits but his mates' loose playing gave them three runs.

SPARKLERS READY FOR GRID SEASON

With practically all of last year's team back, the Sparklers A. C. eleven is ready to start their grid season. Their opening game will be against the South Chicago Maravas at Ogden Park next Sunday.

The veterans that will be seen with the team again are Captain Costigan, halfback; Kehoe, quarter back; Fitzgerald, fullback; Maloney, fullback; Buckley, end; Stein, tackle; Kingsley, center; McCarthy, tackle; Schmal, tackle; and Daly, end. John Charles formerly with the Blossoms is out for a halfback berth.

The Sparklers have issued a challenge to any team in the 100-pound class and are especially anxious to take on the Drexel Maroons, the Mohawks, the Hottentots, the Englewood Triangles and the Roland Speedboys.

Man's mastery of the elements is now complete, if nothing happens.—Ohio State Journal.

B. L. A. TO HAVE WGN PROGRAM THIS EVENING, WEDNESDAY

CAPACITY AUDIENCE FILLS OGDEN AUDITORIUM FOR C. R. A. ENTERTAINMENT

WGN entertainers will furnish the program, tonight, Wednesday, at the Broadcast Listeners' association at Hamilton park field house, 72nd st. and Normal blvd. Headed by "Sen" Kaney, Tom Maley, Jack Little, and the WGN quartet, John Stanford, Ballard Sweet, Drury Lenington, and W. Doyle Watt will be present to give radio fans an opportunity to see and hear their favorites in person.

Lewis B. Hagerman, assembling a one tube set, and M. H. Romberg will appear on the technical program.

Herbert S. Mintz, manager of the Westinghouse Feature service, had charge of last week's KYW program. Miss Sallie Menkes, Miss Polly Willis, Bobby Brown, Charlie Schultz, Jimmie Cairnes, and the Dixie Stars, Al Bernard and Russel Robinson, took part in the entertainment. The technical lecture was by A. H. Andrews, designer of the Andrews Deresnadyne circuit of the Hudson-Ross Radio company.

Thursday evening at Ogden park field house, 65th st. and Racine ave., a capacity audience filled the auditorium for the meeting of the Chicago Radio association. M. B. Benson, former United States Navy radio expert, gave a talk on reflex receivers and demonstrated the Benson Portable Superflex set. W. J. Haferbecker, vice president of the association, also spoke, demonstrating the new one tube three circuit receiver. Entertainment numbers were furnished by Alfred Tweed, harmonica and guitar player.

This week's program includes music by the Harmony quartet, a talk on super-heterodynes and their reflexation by M. W. Thompson, formerly of the DeForest Telephone and Telegraph company, and a demonstration of the new Grebe Synchrofase receiver by A. J. McGivern of the Manhattan Electric Supply company.

TWO CHECKER CABS ARE BOMBED HERE

Union troubles are believed by the police to have caused the bombing of two Checker cabs in the district in a period of little over twenty-four hours. In both cases the bombs were thrown into empty cabs while the drivers were absent, but in only one did the explosion do any great damage.

The first occurred late Wednesday night in a cab left standing at 62nd and Halsted sts. No other damage was done besides the shattering of the windshield. H. B. Harman, 7243 Peoria st., was the owner of the machine.

L. G. Chaplin, 6046 Honore st., the owner of the second car, left it at the corner of 50th and Green sts. early Friday morning. The bomb was more effective in this case, practically demolishing the machine and breaking several windows in nearby houses. So far as the police could learn no one saw the bomb throwers at work.

"Strange that everybody can hear with this receiving set except your daughter."

Said the Clock To the Davenport

"It will soon be time to go into storage."

"Yes," replied the Davenport," they were sitting on me last night talking about it."

"Well," said the Lamp, "I hope they will seek some light on storage warehouses before they pack me in one of them."

"I hope so," said the Table. "Last trip I took they broke my leg."

"And the dust in some of them," said the Rug

"And the darkness," chimed in the Mirror.

"To say nothing of the moths," moaned the old man's Easy Chair.

"Well, I'll tell you," said the Console, "before I came into this family I spent a year in the Empire Storage Warehouse. Those boys certainly treated me fine. Packed me like I was a baby. Put me in a nice, clean, light, dust-proof room, and when I came out—Well, you can see for yourselves, I look just as good as new. My only consoling thought is that these folk will send us to the Empire."

"You tell 'em Victrola," chorused all the Household Goods. "They'll listen to you."

FORCED TO VACATE IN 10 DAYS

ORDERED SOLD IN 10 DAYS—MUST RAISE CASH TO PAY MY CREDITORS

PRICES SMASHED TO LESS THAN WHOLESALE

L. C. Smith is now facing the crisis of his business career. The present conditions existing throughout the country, as well as high prices and insufficient capital with which to operate, has brought about this critical condition of affairs. Having my entire capital tied up in merchandise and my bills long past due, the creditors have demanded from me an immediate settlement. I conducted a sale recently to raise $12,500 to save myself, but for some reason or other I was only able to raise $7,000, which was not enough to satisfy all claims against me. Now, in order to save my good name, I have decided to put on this Going Out of Business Sale and sell my entire stock far below wholesale cost, so that I can pay all my outstanding indebtedness and wind up my business affairs in an honorable manner.

"OPEN DOOR" NURSERY IN OGDEN DISTRICT LIVES UP TO NAME

HEALTH DEPARTMENT ALLOWS TWENTY CHILDREN TO BE CARED FOR AT PRESENT

The name indicates the hospitable policies of the Open Door association's day nursery, 6334 Racine ave., that has recently been opened for the care of small children in families of the Ogden Park district where mothers must go out to work. Twelve hour service is furnished, some children being brought as early as 7 o'clock in the morning and remaining until 7 o'clock in the evening.

Affiliated with the National Day Nursery workers of the United States, Mrs. Margaret Lamburt and her daughter, Mrs. Beatrice Latham, who have charge of the Open Door nursery are able to furnish supervision to children of the community without charge to widows as well as to families in which both father and mother are forced to work for a living.

In accordance with the regulations of the City Health department, air space in the nursery will allow for the accomodation of twenty children. Daily enrollment up to the present time has been between fifteen and seventeen children, with only two girls in the group. Balanced meals are provided during the day for the children. Opportunities for resting are given in the afternoon.

At the back of the nursery a bedroom, known as the isolation room, is being arranged in preparation for illness which the winter months are certain to bring.

Fences inclosing the play grounds at the back of the nursery, as well as the clearing of an adjoining vacant lot and the building of sand boxes and apparatus for the occupation of the children during the long hours that they are kept under supervision, will be completed within the next week.

The location of the nursery has desirable features on account of advantages of transportation, in both street car and the elevated services. Ogden park within one-half block from the nursery gives opportunity for outdoor play, when equipment becomes insufficient to interest the children.

The managers welcome the interest of the public. Toys for the children and cast off clothing can be utilized for help of poorer people in the district, who would hesitate to seek comfort elsewhere or who would endure suffering that might be remedied were it not for some center such as the nursery affords for making known their wants, said Mrs. Latham.

STAGE SOUTH PARK REGATTA AT OGDEN

Sixteen playground parks will be represented in the annual South Park model yacht regatta to be held at 2 o'clock next Sunday afternoon on the Ogden park lagoon.

The following members of the Ogden Park model yacht club will sail their boats in the races: Henry W. Kennedy, Robert White sr., Robert White jr., George Baron, William Dreysdale, John Johnston, Joseph Stanton, C. M. Briggs, Gustaf Jones, Donald Wilson, Winifred Cook, Frank C. Granville, Carl Welen, Ralph Olson, Clifford Leavy, John Boecher, John McKenna, Clement Stoeller, James Hardy, Edward Buker, W. G. Manning, Harlan E. Ochler, William Jones, Wallie Sype, Albert Boelcke, Edward Kane, Claude Korfe, Anthony Kozla, and Fred Koeing.

All boats entered will be built by amateurs, the boys constructing their craft under the supervision of older men, many of them being designed from prize winning models of this and other countries.

IS IN CHARGE OF ANSHEY EMETH CONGREGATION

A story in last week's edition of the Economist regarding the Jewish New Year conveyed the impression that Rabbi Bernard Lewis is with the Oir Chodosh congregation, 702 Englewood ave. This is erroneous, for Rabbi Lewis has charge of the Anshey Emeth congregation, located at 61st and May sts. The first Englewood congregation, B'Nai Israel, Aberdeen and 62nd, is in charge of Rabbi Samuel Romirowsky.

The celebration of Rosh Hashonah, or the Jewish New Year, to begin next Sunday evening, marks the opening of the year 5,685 on the Jewish calendar, which dates from the Old Testament time of the creation. Ten days later, October 7 and 8, are the fast days, Yum Kipur, and on the fourth day after Yum Kipur, the evening of October 12, the Feast of the Tabernacle begins. The feasting and rejoicing of this celebration continues for nine days.

5-Pass. Sedan

$795

F. O. B. Flint, Mich.

Why worry about the safety of your little ones on the highways or crossing city streets on the way to school?

The low price and small upkeep of a Chevrolet is cheap insurance against such risks.

Then, too, driving the children to and from school gives mother or big sister pleasing relief from household duties, and shopping can be done at the same time.

Chevrolet 5-passenger Sedan is the ideal all-year family car, combining the comforts and atmosphere of home with high grade body construction, mechanical reliability, ease of handling and low purchase and operating costs.

Every home garage should house a Chevrolet regardless of whether or not another car is owned.

CHILDREN OF HARPER DISTRICT TO ATTEND SCHOOL IN PORTABLES

PARENTS AGREE TO TEMPORARY PROVISION IN CHURCHES; PLAN NOW ABANDONED

Parents of the Harper school district, numbering nearly 150, agreed unanimously Friday evening to accept the proposal of the board of education that four neighborhood churches be used temporarily as school rooms. Classes were to begin next Monday at Thoburn Methodist Episcopal church, 64th and Paulina sts., where the parents' meeting was held; Ogden Park Swedish Mission, 6604 Hermitage ave.; Drexel Park Presbyterian church, 6230 Marshfield ave.; and Bethel Swedish Baptist church, 65th and Paulina sts.

Since the meeting, plans have been changed and, with eight portables being rushed to the school, classes will begin in permanent quarters soon.

Complaints charging that the junior high school building has six vacant rooms are answered by Principal W. J. Harrower's statement that the vacancies exist only because shops and cooking rooms have not yet been equipped. Stoves and other furnishings are in the Harper basement awaiting installation by plumbers, after which the entire school will be in use.

OBITUARY

Frank Rudolph

Funeral services were conducted at 2:30 o'clock Saturday afternoon at Ogden Park M. E. church, 68th and Loomist sts., for Frank Rudolph, whose death occurred Thursday, September 18, of heart disease at his home, 6603 May st., where he had lived the last thirty-five years. Burial was at Oak Woods cemetery.

Mr. Rudolph had lived in Chicago for many years and had made his home on the north side at the time of the Chicago fire. He was a well driller and had drilled the first deep well in Chicago for the Stock Yards Transit company in 1880. It had a depth of 2,000 feet. Mr. Rudolph was 72 years of age. He was a member of Apollo Tent, K. O. T. M. He leaves his widow, Mrs. Susan Rudolph, a son and a daughter, Frank, jr., Mrs. Amelia Laskey, and two sisters, Mrs. Clara Franzel and Mrs. E. B. Marsh.

Mrs. Elizabeth R. Davis

Mrs. Elizabeth R. Davis, 91 years of age, died Thursday, September 18, of hardening of the arteries, at the home of one of her three daughters, Mrs. Sarah E. Batton, 7201 Michigan ave. Mrs. Davis had lived in the community the last six years. The other daughters are Mrs. Mary C. Franklin of Kewanee, Ill., and Mrs. Elizabeth Rolands of Seattle, Wash.

Funeral services were conducted at 1:30 o'clock Sunday afternoon at the residence, and services were also conducted at 2 o'clock Monday afternoon at Kewanee, Ill., Mrs. Davis' former home.

James A. Dengate

James A. Dengate, clerk at the Hamilton Park offices of the Rock Island railway, died Saturday night, September 20, of heart trouble after an illness of four months. Mr. Dengate was 37 years old and had made his home in Englewood the last twenty-nine years. He had attended D. S. Wentworth and Yale grammar schools. Mr. Dengate formerly was employed in the downtown offices of the railroad but had recently been transferred to the local office. He leaves his widow, Mrs. Agnes Dengate, two daughters, Dorothy and Mary, and three sisters, Mrs. Anna Rudd, Mrs. C. Tromp, and Mrs. O. Olsen. His home was at 407 W. 71st st.

Mr. Dengate was a member of Englewood Lodge No. 690, A. F. & A. M., who conducted the funeral services at the chapel, 415 W. 63rd st., at 3 o'clock Tuesday afternoon. Interment was at Mt. Hope cemetery.

Mrs. Florence Laberdia

Mrs. Florence Laberdia, wife of William E. Laberdia, proprietor of the shade and drapery shop at 5530 Halsted st., passed away Wednesday night, September 17, at the German Deaconess hospital, following an operation for appendicitis the same day. Mrs. Laberdia had been taken suddenly ill Wednesday morning. She was 32 years of age. She had made her home in Englewood the past twelve years. Surviving her are her husband, parents, Mr. and Mrs. J. Van Pelt, three sisters and two brothers. Funeral services were conducted Saturday afternoon in Georgetown, Ky., by the pastor of the First Baptist church there.

Mrs. Isabella S. Waddell

The death of Mrs. Isabella S. Waddell, 76 years of age, occurred Saturday, September 20, at the home of her son, Robert Waddell, 527 W. 66th pl. Mrs. Waddell had lived in Englewood the last thirty-five years. She was a member of the Orkney and Shetland society and of Emerald Avenue Presbyterian church. She is survived by another son, George Waddell, of Indianapolis, Ind. The Rev. Richard D. Hughes of the church conducted funeral services at 2:30 o'clock Monday afternoon and burial was at Mt. Greenwood cemetery.

Almyr O. Harvey

Almyr O. Harvey, 21 years of age, an inspector for Edwin C. Barnes and company, died Tuesday, September 16, at the Illinois Masonic hospital of heart trouble. He had also been suffering with a severe cold. Mr. Harvey was a graduate of the February, 1923, class of Englewood high school. He had attended the Holmes and Beale grammar schools.

Mr. Harvey was a member of the Covenant Baptist church. He was secretary of the Baraca class there and had been sent to Denver in July as a delegate from the B. Y. P. U. He was also a member of Compass Lodge, No. 922, A. F. & A. M.

He is survived by his father, George W. Harvey, three brothers and two sisters, Edna, Kenneth, Karl, Alice, and George. Funeral services were conducted at 2 o'clock Friday afternoon at Covenant Baptist church and interment was at Mt. Hope cemetery.

OFTEN a suffering man or woman will ask a Chiropractor what the spine has to do with the health of the body. "Do you think that Spinal Adjustments can help me? I've been troubled with constant headaches and stomach sickness for years, but have been unable to find relief. Will Chiropractic help me?" These and other questions are regularly asked. **Chiropractic offers real hope, because it gets closest to nature's way in helping the sick to get well and stay well.**

The human body is so constituted that it is unnatural for disease to creep in without cause. The nerve system is designed to give perfect health to all organs and keep them in repair. If through abnormal curvature, jolts, strains, falls or wrenches at some time in life the movable bones of the spine are displaced, even slightly they press on these nerves and obstruct the flow of life energy. Weakness and disease result in the organs that these injured nerves feed. In stomach trouble for instance the nerves to the stomach are subject to pressure by certain bones of the spine. Through scientific adjustment

CHIROPRACTIC THE BETTER WAY TO HEALTH

relieves this pressure, normal conditions are restored and nature builds up the weak and diseased stomach until it is healthy. The same method applies to other ailments due to pressure on certain nerves. Try Chiropractic (Ki-ro-prak-tic) adjustments. Get well and stay well.
